260 The date, time and place of each meeting of the merit system council,
261 names of the councilmembers present, all official acts of the council and the votes
262 of each member except when the acts are unanimous and, when requested, a
263 councilmember's approval or dissent, with the reasons, shall be recorded in the
264 minutes. The director shall cause the minutes to be prepared and presented to the
265 council for approval or amendment. The adopted minutes, or a true copy thereof,
266 certified by the director, shall be open to public inspection, and copies of pertinent
267 sections thereof made available upon request to any department head or employee
268 affected thereby.

269 **Sec. 20-9. Record of appeal hearings.**

270 A verbatim account of an appeal hearing will not be transcribed, unless
271 requested by one (1) of the parties, and paid for by the requesting party. Either
272 party shall have the right to have the proceedings recorded by a court reporter at
273 the party's own expense.

274 **Sec. 20-10. Public records, confidential records.**

275 All merit system documents, records and information are the property of

290 course of their official duties shall not be released or made available to anyone
291 other than employees charged with this responsibility as part of their official
292 duties.

303 (4) All other records related to examination and eligible lists, including
304 correspondence, applications and examination papers, shall be kept for
305 one (1) year.

306 (5) The employee's permanent personnel file shall be purged each three
307 (3) years to remove appraisals and other documents related to
308 performance, disciplinary actions and other materials over three (3)
309 years of age which are no longer needed in the operation of the merit
310 system.

311 (6) Personnel files of terminated employees shall be kept for three (3)
312 years.

313 (b) The above retention periods may be extended if required by federal or state
314 law.

315 (c) Records may be preserved in their original form or other duplicate form such
316 as microfilm, at the discretion of the director.

317 **Sec. 20-13. Position classification plan.**

318 (a) The classification plan provides a systematic arrangement and inventory of the
319 positions in the classified service. The plan groups the various positions into
320 classes with an appropriate title indicative of the range of duties and
321 responsibilities, and the types of work performed.

322 (b) The chief executive shall adopt rules and regulations for the implementation
323 and administration of the classification plan within the budget approved by the
324 Mayor and City Council.

325 **Sec. 20-14. Maintenance of registers.**

326 The chief executive shall adopt uniform rules and regulations pertaining to
327 the maintenance of registers, including procedures for determining the adequacy
328 of existing registers, the frequency of announcements of vacancies or
329 examinations, the abolishment of registers, and the establishment of registers.

330 **Sec. 20-15. Fillings of vacancies.**

331 All vacancies under the merit system must be filled either by probationary
332 appointment, promotion, demotion, transfer, emergency appointment,

333 reappointment, temporary appointment or part-time appointment. No vacancy
334 may be filled until a valid requisition is received by the director from a
335 department head.

336 **Sec. 20-16. Equal opportunity employment.**

337 (a) The city is an equal opportunity employer. This effort will be an ongoing
338 process. For affirmative action purposes, the director, in conjunction with
339 the affirmative action officer, may institute voluntary programs that will
340 facilitate this purpose and implement programs approved by the Mayor and
341 City Council.

342 (b) There shall be no discrimination against applicants or employees on the
343 basis of race, color, religion, sex, national origin, political affiliation or
344 opinion, age, handicap or other non-merit factors with regard to
345 appointment, promotion, demotion, dismissal, discipline, training or any
346 other aspect of personnel administration. This shall not prevent the
347 application of a particular requirement factor that is a bona fide
348 occupational qualification.

349

350 **Sec. 20-17. Political activities.**

351 (a) No person shall seek or attempt to use any political endorsement in
352 connection with any appointment to a position under the merit system.

353 (b) No person shall use or promise to use, directly or indirectly, any official
354 authority or influence, whether possessed or anticipated, to secure or
355 attempt to secure for any person an appointment or advantage in
356 appointment to a position under the merit system, or an increase in pay or
357 any other advantage in employment in this position for the purpose of
358 influencing the vote or political action of any person, or for any
359 consideration.

360 (c) No employee under the merit system shall be a candidate for nomination or
361 election to any elective public office, or take part in the management or

362 affairs of any political campaign, except to exercise the right as a citizen to
363 express an opinion privately and to cast a vote.

364 (d) Employees whose principal employment is in connection with an activity
365 which is financed in whole or in part by loans or grants made by the United
366 States or a federal agency are subject to the provisions of the Hatch Act.

367 **Sec. 20-18. Political soliciting.**

368 No employee under the merit system shall solicit or take part in soliciting
369 any assessment, subscription or contribution for any political organization or
370 purpose. Employees may make voluntary financial contributions to a political
371 party or organization or candidate.

372 **Sec. 20-19. Persons advocating overthrow of government prohibited**
373 **from employment.**

374 No person shall be employed under the merit system who advocates or has
375 ever advocated, or who is or who ever has been a member of any organization that
376 advocates the overthrow of the government of the United States by force or
377 violence.

378 **Sec. 20-20. Conflicts of interest.**

379 (a) No employee covered by the provision of this chapter shall:

380 (1) Engage in any business or transaction or have a financial interest or
381 other personal interest, direct or indirect, which is incompatible
382 with the proper discharge of official duties or which would tend to
383 impair independence of judgment or action in the performance of
384 official duties;

385 (2) Engage in or accept private employment or render services for a
386 private interest when such employment or service is incompatible
387 with the proper discharge of official city duties or would tend to
388 impair independence of judgment or action in the performance of
389 official duties;

390 (3) Disclose confidential information concerning the property,
391 governmental body or affairs of the city without proper legal

- 392 authorization, or use such information to advance the employee's
393 financial or other private interests or that of others;
- 394 (4) Participate in the negotiation or the making of any contract with any
395 business or entity in which the employee has a financial interest.
- 396 (5) Solicit contributions from another employee for a gift or donation to
397 an employee or elected official in a superior official position, or, if in
398 a superior position, accept a gift presented as a contribution from an
399 employee.
- 400 (6) Directly or indirectly solicit or accept any gift from a prohibited
401 source or any gift given because of the employee's official position.
- 402 (7) Directly or indirectly give, offer, promise, demand, seek, receive,
403 accept, or agree to receive anything of value to influence any
404 official act.
- 405 (8) Except as provided by law for the proper discharge of official duties,
406 directly or indirectly, give, offer promise, demand, seek, receive,
407 accept, or agree to accept anything of value for or because of any
408 official act performed or to be performed, or for or because of any
409 testimony given or to be given before an individual or other entity,
410 tribunal or proceeding authorized to hear evidence or take
411 testimony.
- 412 (9) Accept gifts from the same or different sources on a basis so
413 frequent that a reasonable person would be led to believe the
414 employee is using his/her public office for private gain.
- 415 (10) Accept a gift in violation of any local, state or federal statute.
- 416 (11) Accept vendor promotional training contrary to applicable
417 regulations, policies or guidance relating to the procurement of
418 supplies and services for the county.
- 419 (b) No employee shall receive any compensation, salary or supplementation of
420 his/her city salary, from any entity other than the city or as may be

421 contributed by law out of the treasury of any state, county, or municipality,
422 for his/her services to the city.

423 (c) No employee shall by his or her conduct give reasonable basis for the
424 impression that any person can improperly influence him or her or unduly
425 enjoy his or her favor in the performance of official acts or actions or that
426 he or she is affected unduly by the kinship, rank, position or association
427 with any person.

428 (d) No employee shall by virtue of his or her position with the city, directly or
429 indirectly attempt to influence the decision of any city employee who must
430 act to further any city procurement, policy, regulation, inspection or
431 transaction.

432 (e) No employee shall engage in or accept employment with or render services
433 for any private business or professional activity when such is adverse to and
434 incompatible with the proper discharge of his or her official duties.

435 (f) Employees shall not knowingly solicit or make solicited sales to other
436 employees who are junior in classification or position, or to the family
437 members of such employees, within or without work hours. In the absence
438 of coercion or intimidation, this does not prohibit the sale or lease of an
439 employee's noncommercial personal or real property or commercial sales
440 solicited and made in a retail establishment during non-working hours. This
441 prohibition includes, without limitation, the solicited sale of insurance,
442 stocks, mutual funds, real estate, cosmetics, household supplies, vitamins,
443 and other goods or services. Both the act of soliciting and the act of selling
444 as a result of soliciting are prohibited. In both cases, however, a solicitation
445 is necessary for a violation to occur. While the standard prohibits a superior
446 from making a solicited sale to a subordinate or to the subordinate's family,
447 sales made because a subordinate approaches the superior and requests the
448 sale to be made are not prohibited, absent coercion or intimidation by the
449 superior. The posting of an advertisement in accordance with county
450 policies does not constitute solicitation for purposes of this subsection.

- 451 (g) Where an employee knows that a particular matter involving specific parties
452 is likely to have a direct and predictable effect on the financial interest of a
453 member of his/her household, or knows that a person with whom he/she has
454 a covered relationship is or represents a party to such a matter, and where
455 the circumstances would cause a reasonable person with knowledge of the
456 relevant facts to question his/her impartiality in the matter, the employee
457 should not participate in the matter.
- 458 (h) An employee shall be disqualified for two (2) years from participating in any
459 particular matter in which a former employer is a party or represents a party.
460 The two-year period of disqualification begins to run on the date the
461 employee left the employ of the former employer.
- 462 (i) An employee may accept unsolicited gifts from a person or entity other than
463 a prohibited source, having an aggregate market value of forty dollars
464 (\$40.00) or less per source per occasion, provided that the aggregate market
465 value of individual gifts received from any one source under the authority of
466 this paragraph shall not exceed one hundred twenty dollars (\$120.00) in a
467 calendar year.
- 468 (j) Definitions.
- 469 1) *Covered relationship.* An employee has a covered relationship with:
470 a. A person with whom the employee has or seeks a business,
471 contractual or other financial relationship that involves other
472 than a routine consumer transaction;
473 b. A person who is a member of the employee's household, or who
474 is within the third degree of relationship with of the employee;
475 c. A person for whom the employee's spouse, parent or child is
476 serving or seeking to serve as an officer, director, trustee,
477 general partner, agent, attorney, consultant, contractor or
478 employee;

- 479 d. Any person for whom the employee has, within the last year,
480 served as officer, director, trustee, general partner, agent,
481 attorney, consultant, contractor or employee; or
- 482 e. An organization, other than a political party, in which the
483 employee is an active participant.
- 484 2) *Direct and predictable effect* means a particular matter will have a
485 direct effect if there is a close causal link between any decision or
486 action to be taken in the matter and any effect on a financial interest.
487 An effect may be direct even though it does not occur immediately. A
488 particular matter will not have a direct effect on a financial interest,
489 however, if the chain of causation is contingent upon the occurrence of
490 events that are speculative or that are independent of, and unrelated to,
491 the matter. A particular matter will have a predictable effect if there is
492 a real, as opposed to a speculative, possibility that the matter will
493 affect a financial interest. It is not necessary, however, that the
494 magnitude of the gain or loss be known, and the dollar amount of the
495 gain or loss is immaterial.
- 496 3) *Former employer* includes any person or entity which the employee
497 served as an officer, director, trustee, general partner, agent, attorney,
498 consultant, contractor or employee.
- 499 4) *Gift* includes any gratuity, favor, discount, entertainment, trip,
500 hospitality, loan, forbearance, or other item having monetary value. It
501 includes services as well as gifts of training, transportation, local
502 travel, lodgings and meals, whether provided in-kind, by purchase of a
503 ticket, payment in advance, or reimbursement after the expense has
504 been incurred. A gift does not include:
- 505 a. Modest items of prepared food and refreshments, such as soft
506 drinks, or coffee and donuts, offered other than as part of a
507 meal;

- 508 b. Greeting cards and items with little intrinsic value, such as
509 plaques, certificates, and trophies, which are intended solely
510 for presentation;
- 511 c. Loans from banks and other financial institutions on terms
512 generally available to the public;
- 513 d. Social invitations from persons or entities, other than
514 prohibited sources. An employee may accept food,
515 refreshments and entertainment, not including travel or
516 lodgings, at a social event attended by several persons where
517 the invitation is from a person or entity that is not a prohibited
518 source and no fee is charged to any person in attendance.
- 519 5) *Imputed interests* means the financial interests of the following
520 persons will serve to disqualify an employee to the same extent as if
521 they were the employee's own interests:
- 522 a. The employee's spouse/domestic partner;
- 523 b. The employee's child;
- 524 c. An organization or entity which the employee or his/her
525 spouse serves as officer, director, trustee, general partner or
526 employee; and
- 527 d. A person with whom the employee is negotiating for or has an
528 arrangement concerning prospective employment.
- 529 6) *Market value* means the retail cost the employee would incur to
530 purchase the gift. An employee who cannot ascertain the market
531 value of a gift may estimate its market value by reference to the
532 retail cost of similar items of like quality. The market value of a gift
533 of a ticket entitling the holder to food, refreshments, entertainment,
534 or any other benefit shall be the face value of the ticket.
- 535 7) *Particular matter* encompasses only matters that involve
536 deliberation, decision, or action that is focused upon the interests of
537 specific persons, or a discrete and identifiable class of persons. The

538 particular matters covered by this subpart include, but are not
539 limited to, a judicial or other proceeding, application, request for a
540 ruling or other determination, contract, claim, controversy, charge,
541 accusation or arrest.

542 8) *Personal and substantial* means the direct and active supervision of
543 the participation of a subordinate in the matter. To participate
544 substantially means that the employee's involvement is of
545 significance to the matter. Participation may be substantial even
546 though it is not determinative of the outcome of the particular
547 matter. However, it requires more than official responsibility,
548 knowledge, perfunctory involvement, or involvement on
549 administrative or peripheral issues. A finding of substantiality
550 should be based not only on the effort devoted to a matter, but also
551 on the importance of the effort.

552 9) *Prohibited source* means any person or entity who:

- 553 a. Is seeking official action by the employee or the employee's
554 department;
- 555 b. Does business or seeks to do business with the city or the
556 employee's department;
- 557 c. Conducts activities regulated by the employee or the
558 employee's department;
- 559 d. Has interests that may be substantially affected by
560 performance or nonperformance of the employee's official
561 duties; or
- 562 e. Is an organization having a majority of its members as
563 described in paragraphs (j)(9)a. through d. of this section.

564 10) A gift is *solicited or accepted* because of the employee's official
565 position if it is from a person other than an employee and would
566 not have been solicited, offered, or given had the employee not
567 held the status, authority or duties associated with his/her county

568 position. A gift which is solicited or accepted indirectly includes a
569 gift:

570 a. Given with the employee's knowledge and acquiescence to
571 his/her parent, sibling, spouse, child (included adopted and
572 step-children), or dependent relative because of that person's
573 relationship to the employee, or

574 b. Given to any other person, including any charitable
575 organization, on the basis of designation, recommendation, or
576 other specification by the employee.

577 11) *Third degree of relationship.* The following persons are relatives
578 within the third degree of relationship: great-grandparent,
579 grandparent, parent, uncle, aunt, brother, sister, child, grandchild,
580 great-grandchild, nephew or niece.

581 (12) *Vendor promotional training* means training provided by any
582 person or entity for the purpose of promoting its products or
583 services. It does not include training provided under a county
584 contract or by a contractor to facilitate use of products or services
585 it furnishes under a city contract.

586 (h) Any employee who violates the provision of this section shall be guilty of
587 misconduct and subject to appropriate disciplinary action, including
588 immediate dismissal.

589 **Sec. 20-20.1. Financial disclosure reports.**

590 The mayor, member of city council, city manager, assistant city manager,
591 city clerk, department heads, deputy, assistant and associate department
592 heads/directors and economic development department personnel, shall file
593 annually with the city clerk a report disclosing the sources of any income,
594 whatever its nature, in excess of one thousand dollars (\$1,000.00) derived from
595 any one (1) source for the proceeding calendar year. Such report shall be filed on
596 or before April 30 of each year for the prior calendar year in a format determined
597 by the director of finance. Failure of any such person to file such disclosure

598 statement shall be reflected in the minutes of the next regularly scheduled meeting
599 of the board of commissioners following the April 30 deadline, with a copy of the
600 list of such persons presented to the chairperson of the Stonecrest Ethics
601 Committee for appropriate action. The reports shall be considered public
602 documents upon filing. Each report shall contain the following information:

603 (1) The source of each of the following items received or accrued during the
604 preceding calendar year by such person reporting or his/her spouse, including
605 the name and address of the source:

606 a. Any income for services rendered of one thousand dollars (\$1,000.00)
607 or more;

608 b. Any interest or dividend income of one thousand dollars (\$1,000.00) or
609 more;

610 c. Reimbursement for expenses of one thousand dollars (\$1,000.00) or
611 more in each instance;

612 d. Honoraria from a single source in the aggregate amount of five
613 hundred dollars (\$500.00) or more, except as otherwise reported under the
614 state statute covering financial disclosure statements;

615 e. Any gift in the aggregate amount or value of five hundred dollars
616 (\$500.00) or more from any single source received during the preceding
617 year.

618 (2) The name, address and type of organization in which the person reporting or
619 his/her spouse is an officer, director, partner, proprietor, or employee, or serves
620 in any advisory capacity from which income of one thousand dollars (\$1,000.00)
621 or more was derived.

622 (3) Each creditor, including the name and address, to whom the person reporting or
623 his/her spouse was indebted for a period of ninety (90) consecutive days or more
624 during the preceding calendar year in an amount of seven thousand five hundred
625 dollars (\$7,500.00) or more, except for retail installment debt, or the purchase or
626 sale or real property.

627 (4) Failure to file a financial disclosure report, as required by this section, may result
628 in the referral of such violation to the Stonecrest Ethics Committee for punitive
629 action, or may result in disciplinary action, including dismissal.

630 **Sec. 20-21. Disposition of special fees and rewards.**

631 Special fees and rewards received by any employee by reason of the
632 performance of any act required of such employee by the city and such
633 employee's duties, whether paid by an individual or by a public authority, shall be
634 deemed the property of the city and no employee shall accept for private use and
635 benefit this fee or reward.

636 **Sec. 20-22. Full-time service; outside employment.**

637 The city shall be entitled to the full-time services of all
638 employees whose positions are on a full-time basis. All outside
639 employment must be approved in advance by the department head. No
640 outside employment which interferes with the employee's scheduled city
641 work time shall be allowed, nor shall any outside employment be
642 allowed which may create a conflict, or apparent conflict, between
643 private interest of the individual and official city duties and
644 responsibilities.

645 **Sec. 20-23. Physical examination.**

646 Before entering employment and as often as the head of the department
647 may deem necessary for the performance of work assigned, an applicant or
648 employee shall undergo a physical examination by a licensed physician to
649 determine the physical fitness of the employee for the job sought or duty assigned.
650 Such examination shall be paid for by the city. The standard of physical fitness
651 requirements related to job duty shall be established by each department head
652 with due consideration given to the duties to be performed. Before becoming
653 effective, such physical standards shall be submitted to and approved by the
654 director and shall be furnished to the physician conducting the physical
655 examination. No otherwise qualified handicapped individual shall be excluded
656 from city employment solely by reason of handicap, unless such handicap

657 prohibits such individual from performing job-related duties or places such
658 handicapped person or city employee in unsafe conditions likely to result in
659 bodily injuries to the handicapped person or other city employee. If a city
660 employee does not agree to submit to a physical examination, such refusal shall
661 be grounds for dismissal, suspension or leave without pay.

662 **Sec. 20-24 – 20-40. Reserved.**

663

664 **ARTICLE II. COMPENSATION PLAN.**

665

666 **Sec. 20-41. Salary increases.**

667 A salary increase shall not be considered as an automatic and routine right
668 due an employee. All salary increases shall be based upon quality and quantity of
669 work as reflected by performance appraisal and other recorded ratings, giving due
670 consideration to length of service.

671 **Sec. 20-42. Holiday pay.**

672 All full-time employees shall be paid for a normal workday for each legal
673 holiday established by Mayor and City Council. Part-time employees shall be paid
674 the pro rata part of a normal workday based on hours per day normally worked.
675 Temporary employees, whether part-time or full-time, are not eligible for holiday
676 pay. Employees required to work on a holiday shall be paid the regular day's pay.
677 In addition, they may be given comparable time off at a subsequent date not later
678 than twelve (12) months following the holiday or, upon approval of the city
679 manager or assistant city manager, may be paid for the holiday at a straight-time
680 rate.

681 **Sec. 20-43. Quality pay increase.**

682 A quality pay increase is a pay increase equivalent to a step
683 increase available to permanent full-time employees whose performance
684 is of such superior quality above that ordinarily found in the type of
685 position concerned that special pay recognition is warranted.

686 **Sec. 20-44. Longevity pay.**

687 Longevity pay is a benefit to employees for continued service to
688 the city. Permanent employees shall receive additional compensation
689 based upon satisfactory completion of successive years of service to
690 begin after completion of eight (8) years of service. The method of
691 compensation, as set forth in the administrative procedures to the

695 (a) *Annual leave payout.* Upon separation from employment with the
696 city, an employee who has completed at least six (6) months but
697 less than ten (10) years of qualifying service may receive pay for
698 accumulated unused annual leave up to a maximum of thirty (30)
699 days at the employee's regular rate of pay. An employee who has
700 completed at least ten (10) years of qualifying service may, upon
701 separation from employment with the city, receive pay for
702 accumulated unused annual leave up to a maximum of forty-five
703 (45) days at the employee's regular rate of pay. No payment shall
704 be made upon separation from employment for any amount of
705 accumulated unused sick leave.

706 (b) *Annual leave payout; death of employee.* Upon the death of a
707 permanent employee, the beneficiary of such employee shall be
708 paid for accumulated unused annual leave and any other final pay
709 and allowances in the manner of other separations as indicated
710 above.

711 (c) *Temporary and emergency employees.* The appointment of any
712 person as a temporary or emergency employee shall be
713 automatically terminated upon the expiration of the maximum
714 period of time that the person can be so employed. No further

730 equipment.

731 **Sec. 20-47. Employee suggestion program.**

732 The employee suggestion program is established as a benefit
733 program to compensate employees for suggestions that improve city
734 operations, reduce costs, improve productivity and working conditions
735 and/or improve employee morale. Employees can earn monetary
736 payment for suggestions that are adopted and result in tangible savings
737 (measurable, quantifiable cost savings or increase in county revenue) or
738 intangible savings (have an overall benefit but cannot be measured in
739 dollars). The method of compensation, as set forth in the administrative
740 procedures to the personnel code, shall be determined by the mayor with
741 approval of funding by the city council.

742 **Sec. 20-48. Acting status pay.**

743 Subject to approval by the mayor in accordance with procedures
744 established by the mayor and city council, an employee appointed to
745 serve in an acting status in a position with a higher pay classification
746 shall receive compensation at the next pay step that would afford the

747 employee at least a five (5) percent pay increase for any time served in
748 such acting status beyond sixty (60) days consecutively. Acting pay shall
749 not be paid for more than nine (9) months without approval of mayor and
750 city council. For purposes of this section, an employee shall be deemed
751 to be appointed to serve in an acting status when such appointment is
752 made in writing by the department head, is submitted through the merit
753 system director to the mayor, and is approved by the mayor. An acting
754 appointment may only be made to a duly established position which is
755 vacant.

756 **Sec. 20-50. Continuance of life, health and dental insurance while on**
757 **leave of absence.**

758 City officers and employees may continue their group life, group
759 health and dental benefits insurance, if they so desire, while on leave of
760 absence from the employ of the city, provided that such leave of absence
761 is granted for one of the following reasons:

- 762 (1) Military leave of absence.
- 763 (2) Maternity leave of absence.
- 764 (3) Sick leave of absence.
- 765 (4) Court leave of absence.
- 766 (5) Family and medical leave of absence.

771 may provide for group life, group health and dental insurance benefits
772 for an employee's legal spouse, and children, as provided for in the
773 insurance plan documents. As part of a city officer's or employee's
774 compensation, the city may provide for group life, group health and
775 dental benefits for a person declared as the officer's or employee's
776 domestic partner under Article X of this chapter. Any employee who

777 receives insurance coverage for a domestic partner shall notify the
778 employee benefits division within ten (10) days of any change in or
779 termination of the domestic partnership. Any employee who fraudulently
780 obtains coverage for a person who is not a spouse, child, or a domestic
781 partner, as defined under Chapter 20, Article X, shall reimburse the city
782 for all costs involved in providing such coverage and be subjected to
783 penalties as provided by the laws of the State of Georgia and the County
784 of DeKalb.

785 **Sec. 20-52. Limitation of liability for benefits.**

786 Nothing in this chapter shall create any broader, greater, different
787 or other benefits than that provided in the contract of insurance or group
788 plan, and the city shall not be liable for any life, health or dental benefits
789 beyond that provided by the insurance contract or group plan.

790 **Sec. 20-53 – 20-65. Reserved.**

791

792 **ARTICLE III. CERTIFICATIONS AND APPOINTMENTS.**

793

794 **Sec. 20-66. Generally.**

795 When the department head chooses to fill a vacancy, the
796 department head may elect to fill the position through any of the methods
797 of making appointments established under this chapter or administrative
798 regulations. The mayor shall adopt rules for the certification of eligibility
799 on the register and the appointment to fill vacancies, temporary and
800 emergency appointments to permanent positions, emergency positions
801 and reappointment.

802 **Sec. 20-67. Time-limited appointments.**

803 Time-limited appointments may be made to positions established
804 for special programs or projects normally anticipated as being longer
805 than six (6) months but not permanent in nature. Programs or projects
806 requiring this type of appointment will normally be mandated by a

807 federal or state program implemented for a specific purpose such as
808 training, retraining or rehabilitation. Appointments may be made through
809 competitive or noncompetitive procedures according to the program
810 requirements.

811 **Sec. 20-68. Review of discrimination charge.**

812 Any applicant who believes unjust discrimination has been
813 exercised in any phase of the pre-employment process because of race,
814 color, religion, national origin, sex, political affiliation, or opinion, age,
815 sexual orientation, or handicap may appeal to the mayor and city council.
816 Such charge must be filed in writing within one hundred eighty (180)
817 days after the occurrence of the alleged discriminatory action, and must
818 include the date, time, place, name(s) and specific charge of
819 discrimination. The mayor and city council shall investigate the alleged
820 discriminatory action, and the mayor and council's decision shall be
821 binding.

822 **Sec. 20-69. Employment of relatives.**

823 a) The employment of relatives within the same department (as defined
824 in this Code section 20-69) wherein there is a direct or indirect
825 supervisory/subordinate relationship is prohibited. For purposes of
826 this Code section, direct or indirect supervisory/subordinate
827 relationship shall mean regular assignment in the line of supervision
828 or chain of command, and shall exclude temporary assignment of less
829 than five (5) consecutive business days.

830 b) "Department" solely for purposes of this Code section 20-69 shall
831 mean the departments of the city, except that the following bureaus
832 and divisions shall be considered separate "departments" for purposes
833 of this Code section:

- 834 (1) Police bureau;
- 835 (2) Fire bureau;
- 836 (3) Emergency medical services;

- 837 (4) Animal control division;
- 838 (5) Development division;
- 839 (6) Fleet maintenance division;
- 840 (7) Roads and drainage division;
- 841 (8) Water and sewer division;
- 842 (9) Sanitation division;
- 843 (10) Any bureau or division designated by the mayor as a separate
- 844 "department" for purposes of this Code section.
- 845 c) The term "relatives" shall mean:
- 846 (1) Father, mother, daughter, step-daughter, son, step-son,
- 847 brother and sister of the whole blood or of the half-blood,
- 848 grandparent, grandchild, first cousin, aunt, uncle, nephew
- 849 and niece.
- 850 (2) Husband, wife, mother-in-law, father-in-law, sister-in-law,
- 851 brother-in-law, son-in-law, and daughter-in-law.
- 852 These relationships shall include those arising from adoption.
- 853 d) The limitation on employment or promotion of relatives specified in
- 854 this Code section shall apply to the continued employment of
- 855 persons where the referenced relationships commence subsequent
- 856 to their employment. This section shall apply only to filling of
- 857 vacancies by promotion, hiring, transfer from separate
- 858 departments (as defined in this Code section) and reappointments
- 859 made on or after the effective date of this section. If an appropriate
- 860 transfer cannot be arranged, the less senior employee shall resign
- 861 or will be terminated from employment unless the more senior
- 862 employee chooses to transfer or resign.
- 863 e) Seniority for purposes of this Code section shall mean total length
- 864 of employment in positions covered by the City Merit System.

865 f) Nothing in this Code section shall be interpreted to prohibit
866 employment of relatives in different departments, as defined in
867 this Code section.

868 **Secs. 20-70 – 20-80. Reserved.**

869

870 **ARTICLE IV. VETERAN’S PREFERENCE.**

871

872 **Sec. 20-81. Generally.**

873 All candidates and competitors for positions under the merit
874 system (including veterans and their spouses) must meet the minimum
875 requirements for the position sought, and successfully pass the total
876 examination prescribed, if any. Veteran's preference points, if any, shall
877 not be used to raise an otherwise unqualified candidate to a qualified
878 level, nor do veteran's preference points exempt those entitled to them
879 from examination.

880 **Sec. 20-82. Addition of points to rating – Able-bodied veterans.**

881 (a) Any veteran who has served on active duty as a member of the
882 Armed Forces of the United States for a period of more than one
883 hundred eighty (180) days (not counting service under an initial
884 period of active duty for training under the six (6) months' reserve
885 or National Guard programs), any portion of which service
886 occurred during a period of armed conflict in which any branch of
887 the Armed Forces of the United States engaged, whether under
888 United States command or otherwise, and who was honorably
889 discharged shall be entitled to and shall have five (5) points added
890 to his or her passing score on any examination for employment in
891 any position under the merit system.

892 (b) Notwithstanding the one hundred eighty-day minimum active duty
893 requirement of subsection (a) of this section, the five-point
894 preference granted to veterans under said subsection shall apply to

895 any member of the National Guard or armed forces reserve who
896 served on active duty for:

897 (1) Any length of time during any portion of the time the Armed
898 Forces of the United States were engaged in Operation
899 Desert Shield or Operation Desert Storm if such service
900 occurred in an area of imminent danger as defined by the
901 United States Department of Defense as follows:

- 902 a. The Persian Gulf;
- 903 b. The Red Sea;
- 904 c. The Gulf of Oman;
- 905 d. The portion of the Arabian Sea that lies north of ten
906 (10) degrees north latitude and west of sixty-eight (68)
907 degrees east longitude;
- 908 e. The Gulf of Aden; and
- 909 f. The total land area of Saudi Arabia, Kuwait, Iraq,
910 Yemen, Oman, Bahrain, Qatar, and the United Arab
911 Emirates; or

912 (2) Any length of time during a period of war or armed conflict
913 in which any branch of the Armed Forces of the United
914 States was engaged after Operation Desert Shield and
915 Operation Desert Storm, whether under United States
916 Command or otherwise.

917

918 **Sec. 20-83. Same – Disabled veterans.**

919 Any veteran who qualifies for a preference as provided in section
920 20-82 in this article and has at least ten (10) percent service-connected
921 disability as rated and certified by the United States Department of
922 Veterans Affairs shall be entitled to and shall have ten (10) points added
923 to his or her passing score on any examination for employment in any
924 position under the merit system. This ten-point preference shall be in lieu

925 of, not in addition to, any other similar preference accorded by this
926 article or federal or state law.

927 **Sec. 20-84. Spouse of disabled or deceased veteran.**

928 (a) The spouse of a veteran who qualifies for a preference as provided
929 in section 20-82 in this article shall be entitled to and shall have
930 five (5) points added to his or her passing score on any
931 examination for employment in any position under the merit
932 system if the spouse of the veteran is qualified for the merit
933 system position sought, and if the veteran has a one hundred (100)
934 percent disability that disqualifies him or her from employment.

935 (b) The spouse of a veteran, who if living would qualify for a
936 preference as provided in section 20-82 of this article, shall be
937 entitled to and shall have five (5) points added to his or her
938 passing score on any examination for employment in any position
939 under the merit system if the spouse of the veteran is qualified for
940 the position sought and the veteran is deceased.

941 **Sec. 20-85. Appropriate consideration.**

942 (a) In the event that a scored examination is not required to qualify for
943 a particular merit system position, "appropriate consideration" may
944 be given to all candidates and competitors for that merit system
945 position who qualify for a veteran's preference under this article.

946 (b) "Appropriate consideration" means that:

947 (1) A candidate who qualifies for a veteran's preference in this
948 article and meets the minimum requirements for the merit system
949 position sought is entitled to have his or her qualifications
950 presented to the relevant department head or appointing authority
951 for consideration;

952 (2) A candidate who qualifies for a veteran's preference in this
953 article may be given preference in appointment to a position
954 under the merit system if his or her qualifications for the position

955 sought are equivalent to those of the best qualified non-veteran
956 applicant for the position.

957 **Sec. 20-86. Extent of preference.**

958 The veteran's preferences established by this article are confined
959 to entrance to the city's service, and do not apply in the case of
960 examinations for or consideration for promotions.

961 **Sec. 20-87. Preferential appointment not mandatory.**

962 The appointment of a candidate who qualifies for a veteran's
963 preference is not mandatory, even if his or her qualifications are
964 equivalent to those of the best qualified non-veteran applicant for the
965 position.

966 **Sec. 20-88. Appointment discretionary.**

967 The appointment of a candidate who qualifies for a veteran's
968 preference is within the discretion of the department head. The
969 department head may select another qualified candidate (who is not
970 entitled to the veteran's preference) whose name has been certified. If
971 this occurs, the director shall return the name of the candidate who
972 qualifies for a veteran's preference to the register for further
973 consideration.

974

975

976

977 **Secs. 20-89 – 20-100. Reserved.**

978

979 **ARTICLE V. PROBATIONARY STATUS.**

980

981 **Sec. 20-101. Purpose.**

982 The probationary period shall be considered an integral part of the
983 selection process. All employees appointed or promoted to a position in

984 the city's classified service shall be required to satisfactorily complete
985 the probation period prior to achieving permanent status.

986 **Sec. 20-102. Duration.**

987 The first six (6) months of on-the-job service in a position to
988 which an employee has been appointed or promoted under the provisions
989 of article III covering appointments shall constitute the probation period.
990 The director may fix a different length for the probation period as it
991 applies to positions of one (1) or more classes. The period shall not be
992 fixed at less than three (3) months, nor more than twelve (12) months.
993 The length of the probation period shall be the same for all positions in a
994 class.

995 **Sec. 20-103. Time counted.**

996 Only time in pay and active work status shall be counted toward
997 completion of the probation period. Employees in probation status who
998 are absent on leave-without-pay, or who are absent for reasons under
999 workers' compensation or disability leave, shall be required to complete
1000 the amount of time on the job specified for the class to which they are
1001 appointed.

1002 **Sec. 20-104. Conditions prerequisite to permanent status.**

1003 Supervisors of probationary employees should evaluate those
1004 employees periodically during the probation period. Whether formal or
1005 informal procedures are used, it is the responsibility of the supervisor to
1006 point out areas of deficiency and inform the employee in the correct and
1007 expected manner to perform the job. It shall be the responsibility of the
1008 department head to obtain a statement in writing from the proper
1009 supervisor to the effect that the services of each employee appointed for
1010 an initial appointment probation period have or have not been
1011 satisfactory and that the employee is or is not recommended to be
1012 retained. The statement shall contain an appraisal of the value of the
1013 employee's service upon the employee performance evaluation form. The

1014 department head shall obtain this statement prior to the completion of the
1015 probation period, and make a recommendation to the director. No
1016 probation employee shall be considered to have attained permanent
1017 status as an employee under the merit system until certified by the
1018 director. If the employee is not certified as a permanent status employee,
1019 the department head shall notify the employee in writing in advance of
1020 the date on which the employee's services are to be terminated, and
1021 transmit a copy to the director.

1022 **Sec. 20-105. Probation in promotional position.**

1023 The department head shall have the same responsibility to assure
1024 evaluation of employees in promotional probation status as the
1025 department head has in initial appointment probation status. If it is
1026 determined that the employee is unsuitable for the position, the
1027 department head shall return the employee to the position previously
1028 occupied if it is vacant. If not vacant, the department head shall confer
1029 with the director relative to placement of the employee in a comparable
1030 class of positions for which the employee meets the requirements. If such
1031 placement is not feasible, the employee's name shall be placed on the
1032 reemployment register. The employee shall receive written notification,
1033 prior to the action, stating the reasons for the action. A copy shall be
1034 given to the director.

1035

1036

1037 **Secs. 20-106 – 20-120. Reserved.**

1038

1039 **ARTICLE VI. PROMOTION, TRANSFER AND DEMOTION**

1040

1041 **Sec. 20-121. Procedures generally.**

1042 The city manager shall adopt administrative procedures for the
1043 filling of a vacancy by selection on a competitive basis of a permanent

1044 employee, and for transfers and demotions. Selection shall be made by
1045 the department head and reported to the director who will notify the
1046 applicant.

1047 **Sec. 20-122. Promotion.**

1048 No employee shall be promoted unless such employee has
1049 permanent status and the employee's last recorded performance appraisal
1050 is average or above. Although not eligible to qualify for a promotional
1051 position which is to be filled from present county employees only, a
1052 probation employee is eligible to apply for any city position which is
1053 being filled by open competitive examination. A probation period is
1054 required for an employee who is promoted.

1055 **Sec. 20-123. Transfer – Generally.**

1056 A vacancy may be filled by the transfer of a permanent or
1057 probation employee from another position of the same class or a
1058 comparable class subject to the limitations of this chapter.

1059 **Sec. 20-124. Same – From position of same class.**

1060 A permanent or probation employee in a position may be
1061 transferred to any vacancy of the same class. Where the employee has
1062 been placed in a position through a procedure involving selective
1063 certification, the employee shall not be transferred to any other position
1064 for which selective certification on the same basis is not justified until
1065 the employee has completed the probation period or the employee's name
1066 on the register has been reached through regular certification.

1067 **Sec. 20-125. Same – From comparable class.**

1068 A permanent or probation employee may be transferred to a
1069 comparable class if the director has certified that the minimum
1070 qualifications or training/education and experience specified for the class
1071 of the vacancy are met. If a performance test is required for regular
1072 appointment to the vacant position, and the employee to be transferred
1073 has not passed the required performance test for the class, then the

1074 employee must be certified on a test similar to and as extensive as the
1075 regular performance test.

1076 **Sec. 20-126. Demotion – Generally**

1077 An employee who is demoted shall retain the same employment
1078 status, except that the employee's rate of pay shall be reduced to the step
1079 in the pay range assigned to the lower position that is at least the
1080 equivalent of one (1) step in the pay plan. If the demotion is non-
1081 disciplinary, and if the employee's present salary does not exceed the
1082 maximum of the new range, the director may, upon recommendation of
1083 the department head, approve a pay step equal to the employee's former
1084 salary.

1085 **Sec. 20-127. Same – Procedure; reasons.**

1086 A permanent or probation employee may be demoted to a lower
1087 class for which the employee meets the requirements for reasons relative
1088 to job performance. When an initial appointment probation employee is
1089 demoted, the employee shall continue the probation period as if the
1090 original appointment had been to the position of the lower class. A
1091 permanent or probation employee may request appointment to a lower
1092 class, and the department head may make the demotion subject to the
1093 limitations applicable to transfers. A department head may demote a
1094 permanent or probation employee when a shortage of work or funds, the
1095 abolition of a position, or other material change in duties or organization
1096 necessitates the action.

1097 **Secs. 20-128 – 20-140. Reserved.**

1098

1099 **ARTICLE VII. PERFORMANCE APPRAISAL.**

1100

1101 **Sec. 20-141. Administration of appraisal system.**

1102 Each department head, in consultation with the director, shall
1103 develop and administer a system of performance appraisal to give a fair

1104 and objective assessment of each employee's job performance. All
1105 appraisal (evaluation) forms and procedures shall be approved by the
1106 director prior to official use.

1107 **Sec. 20-142. Performance appraisal of supervisors.**

1108 A supervisor's performance appraisal shall include an evaluation
1109 of the use of performance appraisals with employees to improve their
1110 performance. Supervisors shall be evaluated as to their effectiveness in
1111 the equal opportunity and affirmative action policies of the city.

1112 **Secs. 20-143 – 20-160. Reserved.**

1113

1114 **ARTICLE VIII. ATTENDANCE AND LEAVE.**

1115

1116 **Sec. 20-161. Hours of work.**

1117 (a) The standard workweek for full-time employees shall generally be
1118 forty (40) hours; however, due to the requirements of certain positions,
1119 this standard may vary. Specific hours of work shall be set by each
1120 department head with the concurrence of the director and the approval of
1121 the city manager. In any event, specific hours of work and compensation
1122 for overtime shall be in compliance with the provisions of the Fair Labor
1123 Standards Act. Time worked in excess of the standard workweek, which
1124 is approved by the department head in advance or in cases of emergency
1125 as determined by the department head, shall be credited as overtime. In
1126 computing hours worked for overtime purposes, annual and sick leave
1127 and holidays shall be excluded. Overtime shall be accrued or
1128 compensated at the rate of one and one-half (1½) times the regular rate.
1129 Compensatory time at the rate of one and one-half (1½) hours for every
1130 hour worked in excess of the applicable standard workweek may be
1131 given to employees eligible for overtime compensation in lieu of cash
1132 compensation.

1133 (b) Eligible law enforcement, emergency medical, fire and seasonal
1134 employees may accrue up to four hundred eighty (480) hours of
1135 compensatory time before overtime compensation must be paid in cash.
1136 All other employees eligible for overtime compensation may accrue up
1137 to two hundred forty (240) hours. Compensatory time may be utilized by
1138 the employee with prior approval of the department head under the same
1139 procedures as apply to annual leave as set forth in section 20-165,
1140 subsection (e). For employees eligible for overtime compensation,
1141 accrued balances must be paid to the employee at termination at a rate
1142 not less than the average regular rate of pay over the last three (3) years
1143 of employment or the final rate of pay, whichever is higher.

1144 (c) Employees exempt from overtime compensation may be granted
1145 compensatory time at an hour-for-hour rate at the discretion of the
1146 department head. If granted, such compensatory time must be used
1147 within one (1) calendar year of the date granted in accordance with
1148 procedures as apply to annual leave as set forth in section 20-165,
1149 subsection (e). Overtime exempt employees are not eligible to receive
1150 cash compensation for unused balances.

1151 **Sec. 20-162. Transfer of leave benefits.**

1152 When a permanent or working test employee is transferred to
1153 another department, the department receiving the employee shall assume
1154 responsibility for this employee's unused accumulated sick and annual
1155 leave.

1156

1157 **Sec. 20-163. Sick leave.**

1158 (a) City employees, except temporary and emergency employees, are
1159 eligible for sick leave benefits as earned from the date of employment.
1160 Sick leave shall accrue for full-time employees at the rate of one (1) day
1161 per month or its proportional equivalent (see section 20-165 for annual
1162 leave accrual rate) and an additional one-half day's sick leave or

1163 proportional equivalent thereof (see section 20-165 for annual accrual
1164 rate) will accrue on June 30 and December 31 of each year. Part-time
1165 employees shall accrue sick leave at the rate of one-half day a month and
1166 an additional one-quarter day's leave will accrue on June 30 and
1167 December 31 of each year. An employee who starts work before the
1168 sixteenth of a month shall earn sick leave for that month, but if the
1169 employee starts work on or later than the sixteenth of the month, sick
1170 leave accrual will be determined by the hours worked by the end of the
1171 month. No sick leave shall accrue for an employee under conditions as
1172 set forth in section 20-165, subsection (b). No accrual shall be permitted
1173 for an employee on leave without pay, workers' compensation or
1174 disability leave. When an employee shall have accumulated thirty (30)
1175 days of sick leave by the end of the last pay period in November, such
1176 employee may be paid in cash each year by December 25 for one-fourth
1177 of that year's unused sick leave accumulated beyond the thirty (30) days,
1178 and the other three-fourths beyond the thirty (30) days shall be added to
1179 the sick leave accumulation of such employee. Accrued but unused sick
1180 leave shall be cumulative for succeeding years.

1181 (b) Both probationary and permanent status employees who are
1182 eligible for sick leave with pay shall be granted this leave for the
1183 following reasons:

1184 (1) Personal illness or physical incapacity and doctor or dentist
1185 appointments of the employee, employee's spouse, children living
1186 in the same household, or serious illness of spouse, children or
1187 parents as defined in the Family and Medical Leave Act of 1993.

1188 (2) Enforced quarantine of the employee in accordance with
1189 community health regulations.

1190 (c) An employee on sick leave shall inform the employee's immediate
1191 supervisor of the fact and the reason therefor within the time established

1192 by the department head, and failure to do so may be cause for denial of
1193 sick leave with pay for the period of the absence.

1194 (d) A medical certificate signed by a licensed physician may be
1195 required by the department head to substantiate a request for sick leave
1196 for any of the following:

1197 (1) Any period of absence consisting of three (3) or more
1198 consecutive days.

1199 (2) Sick leave of any duration if absence from duty recurs
1200 frequently or habitually, provided the employee has been notified
1201 in writing that a certificate will be required.

1202 (3) To support the use of family and medical leave and
1203 unscheduled annual leave when sick leave has been exhausted.

1204 **Sec. 20-164. Holidays.**

1205 (a) The city will observe ten (10) paid holidays per year. These are:

1206 January 1, New Year's Day.

1207 Third Monday in January, Martin Luther King's birthday.

1209 Last Monday in May, Memorial Day.

1210 July 4, Independence Day.

1211 First Monday in September, Labor Day.

1212 November 11, Veteran's Day.

1213 Fourth Thursday in November, Thanksgiving Day.

1214 Friday immediately following Thanksgiving Day.

1215 December 25, Christmas Day.

1216 (b) Whenever a legal holiday occurs on Saturday, the previous Friday
1217 will be observed. Whenever a legal holiday occurs on Sunday, the
1218 following Monday will be observed.

1219 (c) Any employee who is required to work the holiday may be allowed
1220 to take a day off at a subsequent date no later than twelve (12) months
1221 following the holiday or, upon the approval of the chief executive or the

1222 chief executive's designee, may be paid for the holiday at a straight-time
 1223 rate.

1224 **Sec. 20-165. Vacation (annual) leave.**

1225 (a) *[Vacation accrual.]* Vacation (annual) leave with pay for employees whose
 1226 normal work schedule consists of a forty-hour workweek shall accrue as per
 1227 the following:

Qualifying Service (years)	Accrual per month (hours)	Annual accumulation (days)
Less than 5 years	10	15
5 years up to 10 years	12	18
10 years up to 15 years	14	21
15 years up to 20 years	16	24
20 years and over	18	27

1228
 1229 Those employees whose regularly scheduled average workweek exceeds forty
 1230 (40) hours shall accrue vacation (annual) leave hours at a rate proportionate to the
 1231 designated hours of work according to the following formula:

Scheduled		Normal		
Average		accrual for		
Hours		40-hour/week		proportional
per week		based on		leave accrual
	×	years of service	=	rate
40				

1232
 1233 (b) *[Exceptions.]* Notwithstanding the provisions of subsection (a):

1234 (1) Temporary and emergency employees shall not accrue annual leave.

1235 (2) Part-time employees shall accrue annual leave at one-half the rate shown.

1236 (3) No annual leave shall accrue while an employee is on leave without pay,
1237 workers' compensation or disability leave.

1238 (4) No annual leave shall accrue when, due to an unexcused absence, an
1239 employee works less than seventy-five (75) percent of the scheduled hours
1240 in a pay period.

1241 (c) *[Use of accrued leave.]* An employee shall not be entitled to use any part of
1242 accumulated annual leave until the employee has worked six (6) months.
1243 Accrued but unused annual leave at the end of any year (starting with 2011)
1244 shall be accumulated for succeeding years up to a maximum per the
1245 following (based on a forty-hour workweek):

Qualifying Service (years)	Annual Maximum Carryover (Days)	Annual Maximum Carryover (Hours)
Less than 10 Years	30	240
10 Years and Over	45	360

1246
1247 Employees whose regularly scheduled average workweek exceeds forty (40)
1248 hours shall carry over vacation (annual) leave hours at a rate proportionate to the
1249 designated hours of work in accordance with the formula in subsection (a). Annual
1250 leave accumulated over the maximum amount that may be carried over to the next
1251 year shall be converted to sick leave and added to the employee's accumulated sick
1252 leave balance for the next year.

1253 (d) *[Scheduling leave.]* Annual leave shall be scheduled in advance and requires
1254 the approval of the department head; vacation schedules shall be arranged to
1255 provide the least possible disruption of department work programs. Annual
1256 leave can be used for emergency situations when approved by the department
1257 head. Annual leave, to the extent the purpose for such leave qualifies for
1258 leave under the Family and Medical Leave Act of 1993 (FMLA), will be
1259 counted against the employee's FMLA leave entitlement.

- 1260 (e) *[Unused sick leave.]* At the beginning of each year, an employee shall be
1261 credited with one (1) day of annual leave for each fifty (50) days of unused
1262 accrued sick leave the employee had on December 31 of the previous year.
- 1263 (f) *Transition to new annual maximum carryover.* To move employees from the
1264 2011 carryover limits to the new 2012 carryover limits, the rollover process
1265 will be handled in two (2) steps as follows. First, any amount of accumulated
1266 annual leave that exceeds the prior sixty-day maximum at the end of 2011
1267 shall be converted to sick leave, per previous procedures. Second, any
1268 remaining annual leave exceeding the new 2012 carryover limit shall be
1269 converted to sick leave unless the employee elected to place it into an annual
1270 leave reserve account. That election must be made in writing by the employee
1271 and received by the director no later than January 2, 2012. If an employee
1272 does not make a timely election, all of the employee's accumulated annual
1273 leave not carried over into 2012 shall be converted to sick leave. All
1274 accumulated annual leave that is converted into sick leave pursuant to this
1275 subparagraph shall be converted on an hour-for-hour basis and added to the
1276 employee's accumulated sick leave balance for 2012. Accumulated annual
1277 leave that is placed into an annual leave reserve account may be used as
1278 annual leave if the employee's accumulated annual leave is otherwise
1279 exhausted and the employee's department head authorizes such use.
- 1280 (g) *Annual leave payout for employees who have reserve account annual leave at*
1281 *separation.*
- 1282 (1) *Payment for reserve account annual leave.* An employee who has
1283 accumulated annual leave left in his/her annual leave reserve account at
1284 separation shall receive pay for such leave at the employee's last 2011
1285 pay rate.
- 1286 (2) *Payment for accumulated unused annual leave outside the employee's*
1287 *reserve account; limitations on such payment.* In addition to payment for
1288 any remaining reserve account annual leave, an employee may receive
1289 pay for accumulated unused annual leave outside his/her reserve account

1290 at separation, subject to the limitations in subsection 20-45(a) of this
1291 chapter and subject to the additional limitation that no employee may
1292 receive pay for more than sixty (60) days combined total of accumulated
1293 unused annual leave under subsections (1) and (2) of this subsection (g).

1294 **Sec. 20-166. Leave of absence without pay.**

1295 Leave of absence without pay for a period not to exceed six (6)
1296 consecutive months may be granted to any employee with the approval of the
1297 department head. Any leave of absence for a period in excess of six (6)
1298 consecutive months shall be at the discretion of the city manager. Valid reasons
1299 for leave without pay shall include, but not be confined to, the following: those
1300 reasons required under the Family and Medical Leave Act of 1993, educational
1301 or training enrichment, and military leave.

1302 **Sec. 20-167. Military leave.**

1303 (a) An employee who is a member of the National Guard or an organized
1304 military reserve of the United States will be allowed leave of absence with
1305 pay to participate in ordered military duty or training for a period
1306 consistent with state law.

1307 (b) An employee, other than emergency or temporary, who leaves
1308 employment with the county for military service with the United States
1309 shall have reemployment rights upon successful completion of such
1310 service, consistent with federal law.

1311

1312 **Sec. 20-168. Court leave.**

1313 An employee serving on a permanent, probationary or temporary basis
1314 shall be entitled to leave of absence from duties, without loss of pay or time and
1315 without effect on service rating, on all days during which the employee is
1316 subpoenaed by any court, federal, state or political subdivision thereof, to serve
1317 as a juror or witness.

1318 **Sec. 20-169. Maternity Leave.**

1319 Maternity leave shall be granted to merit system employees in compliance
1320 with applicable administrative procedures and the Family and Medical Leave
1321 Act of 1993. Time for beginning and ending of maternity leave shall be certified
1322 by the employee's doctor. Maternity leave shall consist of the following: use of
1323 any accumulated sick leave, annual leave and/or leave of absence without pay as
1324 prescribed in sections 20-163, 20-165, 20-166 and 20-170.

1325 **Sec. 20-170. Family and medical leave.**

1326 Family and medical leave shall be granted to those employees eligible and
1327 pursuant to the Family and Medical Leave Act of 1993 and the administrative

1331 minimum of twelve (12) months and who meets the eligibility criteria set forth
1332 in the administrative procedures promulgated by the mayor and city council may
1333 donate his/her accrued annual or sick leave to other city employees who have
1334 exhausted all accrued paid leave due to serious health conditions as defined by
1335 the mayor and city council in the administrative procedures.

1336 **Secs. 20-172 – 20-185. Reserved.**

1337

1338 **ARTICLE IX. DISCIPLINARY ACTION AND APPEALS**

1339

1340

1341

1342 **Sec. 20-186. Definitions.**

1343 The following words, terms and phrases, when used in this article, shall
1344 have the meanings ascribed to them in this section, except where the context
1345 clearly indicates a different meaning:

1346 *Delinquency* means violation of duty to the job requirements or county
1347 regulations.

1348 *Excessive absenteeism* means the habitual or patterned use of sick leave,
1349 or leave without pay, not supported by competent medical evidence or other
1350 proof of necessity. On a national average, employees experience two (2) to three
1351 (3) incidents of sick leave absence a year. Unsubstantiated absences, in excess of
1352 the following rule of thumb, may be an indication of excessive absenteeism:

- 1353 (1) Two (2) incidents in three (3) months.
1354 (2) Four (4) incidents in six (6) months.
1355 (3) Six (6) incidents in one (1) year.

1356 (An incident is a single day or consecutive series of absences.)

1357 *Flat fee reimbursement* means a flat fee to reimburse a permanent status
1358 employee for a portion of the attorneys' fees such employee actually paid to an
1359 attorney to represent the employee in a merit system appeal, where at the end of
1360 all available appeals (including any appeals by the employee or county in court),
1361 the employee's termination or demotion is reversed. The amount of such
1362 reimbursement shall be determined by a reimbursement schedule issued in
1363 writing by the county attorney annually and approved by official action of the
1364 governing authority. Under this schedule, the flat fee amount that an employee
1365 may be reimbursed for shall be less for an appeal of a demotion than an appeal
1366 for termination.

1367 *Incompetence* means the lack of qualities or the incapability of doing the
1368 job. Skills, knowledge and abilities are inadequate, unsuitable or obsolete to
1369 perform at minimally acceptable standards of performance.

1370 *Inefficiency* means nonproduction, wasteful use of time, energy or
1371 material, or repeated errors and mistakes.

1372 *Insubordination* means the unwillingness or refusal to perform assigned
1373 work, or deliberate failure to comply with written or verbal instructions from a
1374 proper supervisory authority.

1375 *Misconduct* means mismanagement of job responsibilities and county
1376 property, intentional improper behavior on the job, or deliberate violation of
1377 county regulations.

1378 *Negligence* means careless disregard for or lack of attention to job-
1379 related matters.

1380 **Sec. 20-187. Departmental rules.**

1381 The department head of any department may establish rules which are
1382 related to the work of that department.

1383 **Sec. 20-188. Disciplinary action.**

1384 Where the department head does not deem termination warranted, as
1385 hereinafter provided, the following disciplinary actions may be taken after due
1386 consideration has been given to the nature of the cause therefor:

1387 (1) Suspension. An employee may be suspended for a period of one (1) or
1388 more full days, not to exceed thirty (30) days in a twelve-month period.
1389 An employee may be suspended for an indefinite period of time pending
1390 the outcome of an investigation of a crime involving moral turpitude
1391 during which the employee may have the option of using accrued annual
1392 leave credits until they are exhausted. A suspension may be appealed as
1393 prescribed in section 20-193.

1394 (2) Demotion. An employee may be demoted to a lower class in which the
1395 employee meets the minimum qualifications.

1396 (3) Reserved.

1397 **Sec. 20-189. Dismissal.**

1398 A permanent status employee may be dismissed by a notice in writing
1399 giving the cause of the dismissal with sufficient particularity so that the employee
1400 may be on notice of the reason for discharge in order that the employee may fully
1401 explain the conduct if so desired. Cause for dismissal shall be as outlined in
1402 section 20-191 or for other reasons relative to job performance. Dismissal for
1403 disciplinary reasons may be instituted without prior notice. Unless a written notice
1404 of dismissal is handed to the employee personally by a supervisor or other
1405 authorized person, it shall be mailed to the employee at the last known address of
1406 such employee as shown by the employee personnel file maintained in the merit
1407 system department. It shall be the duty of each employee, and no other, to keep

1408 the merit system department informed of the employee's residence address. A
1409 permanent classified employee may appeal a dismissal, including dismissal due to
1410 reduction in force, to a hearing officer by filing a written notice of the desire to
1411 appeal with the director within ten (10) days from the effective date of dismissal.
1412 If the notice of dismissal is not handed to the employee personally, it shall be
1413 deemed to have been delivered to the employee three (3) days after the date of
1414 deposit in the United States mail. Copies of all dismissal notices shall be
1415 furnished to the director.

1416 **Sec. 20-190. Authority for disciplinary action and discharge.**

1417 The mayor, as the chief administrative officer of the city, shall have the
1418 authority to impose disciplinary actions and to dismiss employees as provided in
1419 this article. In addition, disciplinary action may be taken against an employee or
1420 an employee may be dismissed by the head of the department to which the
1421 employee is assigned. An employee's supervisor may propose disciplinary action
1422 or dismissal, but before the same shall become final, it must be reviewed and
1423 approved by the department head.

1424 **Sec. 20-191. Cause for dismissal or disciplinary action.**

1425 Cause for dismissal and disciplinary action shall include but not be limited
1426 to the following:

- 1445 (16) Sleeping during working hours except where conditions of work authorize
1446 and warrant it.
- 1447 (17) Possession of intoxicating beverages or controlled substances at place of
1448 work, or in official city vehicles.
- 1449 (18) Possession of or bringing a firearm or other deadly weapon on city
1450 property or an official city vehicle, unless duly authorized by the
1451 department head.
- 1452 (19) Reporting to work under the influence of intoxicating beverages, or drugs
1453 not prescribed by a physician.

1455 the rights of other employees.

- 1476 (33) Substantial incompetence or inefficiency in carrying out work
1477 assignments.
- 1478 (34) Failure to report for work without prior approval, except when sick leave

1487 to drive or operate machinery while using same.

1488 **Sec. 20-192. Intradepartmental transfer not a disciplinary act.**

1489 An employee may be transferred to another division or facility at the discretion of
1490 the department head. The department head shall be the final arbitrator of all
1491 intradepartmental transfers and the sole judge of the need, necessity, convenience or
1492 reason for such transfer. An intradepartmental transfer shall not be construed to be a
1493 demotion unless it results in a reduction of the employee's pay.

1494 **Sec. 20-193. Review of disciplinary action (appeals).**

1495 A permanent status employee aggrieved by any suspension, demotion, or
1496 termination may appeal such aggrieved action to a hearing officer as outlined below:

- 1497 (1) All requests for review of disciplinary actions shall be filed in writing with
1498 the director within (10) days from the effective date of the disciplinary action.
- 1499 (2) A hearing officer shall be assigned, pursuant to the administrative
1500 procedures, to hear said appeal within forty-five (45) days after it is filed,
1501 during which time said hearing will convene to afford the aggrieved
1502 employee a hearing before said hearing officer, which may be continued from
1503 time to time, to fully explain his or her conduct for which he or she was
1504 disciplined.
- 1505 (3) The hearing officer may reverse a disciplinary action only upon a finding that
1506 it was based upon an error in fact or was motivated by a non-job-related
1507 factor.
- 1508 (4) The hearing officer shall issue a written decision within twenty (20) days of
1509 the hearing. The decision of the hearing officer shall be in writing, dated and
1510 signed.

1511 The written decision shall contain the findings of fact, the conclusions and, clearly

1514 Any employee who believes unjust discrimination has been exercised with respect
1515 to any disciplinary action because of race, color, religion, national origin, sex,
1516 political affiliation, or opinion, age, sexual orientation, or disability may appeal to a
1517 hearing officer within ten (10) days from the effective date of the action. Such appeal
1518 shall be filed with the director and set forth in detail the reasons why the employee
1519 contends the disciplinary action was based upon discrimination, including specifying
1520 the dates, times, places, and specific types of each instance of discrimination alleged.
1521 In such cases, the hearing officer may reverse the decision of the department head
1522 only on a finding that it was based on error of fact or was motivated by intentional
1523 discrimination against the employee because of membership in a protected class
1524 listed in this section. The same provisions relative to the hearing officer as outlined
1525 in section 20-193 shall also apply in the case of an employee discrimination appeal

1530 be filed in writing with the merit system director. Such appeal shall be filed and
1531 heard in accordance with the procedures set out in this chapter; however, the right of
1532 review by the hearing officer shall be limited to whether the dismissal was in fact
1533 due to lack of work, lack of funds, lack of appropriation of funds, abolishment of the
1534 position or for other material changes in the duties of the position or the organization
1535 of the department.

1536 **Sec. 20-196. Flat fee reimbursement for certain attorney's fees incurred by**
1537 **employees who successfully appeal a termination or demotion.**

1538 (a) Conditions of a flat fee reimbursement. Flat fee reimbursement shall be provided
1539 only when a permanent status employee appeals the employee's termination or
1540 demotion through the merit system appeal process and, at the end of any available
1541 appeals (including any appeals filed in court by the employee or the city), the
1542 employee's termination or demotion is reversed. In no event shall reimbursement
1543 exceed the flat fee amount provided for in the city attorney's flat fee
1544 reimbursement schedule for the year that the appeal process reaches its
1545 conclusion. Flat fee reimbursement shall be available only for successful appeals
1546 of termination and demotion actions effective on or after March 1, 2016.

1547 (b) Timing of requests for and payment of flat fee reimbursement. An employee who
1548 seeks to be paid a flat fee reimbursement under this provision must submit to the
1549 city's finance director documentation establishing: that the termination or
1550 demotion is reversed after all available appeals have been concluded; the amount
1551 the attorney billed the employee for services representing the employee in that
1552 merit system appeal process; and the amount the employee actually paid to the
1553 attorney for those services. This documentation must be submitted to the finance
1554 director within forty-five (45) days after the employee becomes eligible to apply
1555 for the flat fee reimbursement. If the employee timely submits sufficient
1556 documentation to the finance director, the finance director shall pay the applicable

1557 flat fee reimbursement to the employee within thirty (30) business days after such
1558 submission. If the employee fails to submit sufficient documentation to the
1559 finance director, then the finance director shall not pay the applicable flat fee
1560 reimbursement.

1563 **ARTICLE X. DOMESTIC PARTNERSHIPS.**

1564

1565 **Sec. 20-200. Definitions.**

1566 [The following words, terms and phrases, when used in this article, shall have the
1567 meanings ascribed to them in this section, except where the context clearly indicates a
1568 different meaning:]

1569 Declaration of domestic partnership means a form provided by the city finance
1570 department in which two (2) people of the same gender agree to be jointly responsible
1571 for the necessities of life incurred during the domestic partnership and that all
1572 qualifications for domestic partnership are met when the declaration is signed. The
1573 form will require both partners to provide reasonable proof of their primary, regular
1574 and permanent residence address. The form must be signed under penalty of perjury
1575 and must be witnessed and notarized.

1576 Domestic partnership means two (2) people of the same gender who live together in a
1577 single home and have signed a declaration of domestic partnership in which they
1578 attest that:

- 1579 1) They share the same primary, regular and permanent residence and have lived
1580 together for the previous twelve (12) months (documentation must be
1581 submitted verifying joint residency);
- 1582 2) They have a committed personal relationship with each other that is intended
1583 to be lifelong;
- 1584 3) The employee's partner is a dependent of the employee under Georgia law;
- 1585 4) They are not married as recognized by Georgia law to anyone or legally
1586 separated from anyone;

- 1587 5) They have only one current domestic partner;
1588 6) They are eighteen (18) years of age or older;
1589 7) They are competent to enter into a contract;
1590 8) They are not related by blood closer than would bar marriage in the state;
1591 9) They are each other's sole domestic partner;
1592 10) They agree to file a termination of domestic partnership within ten (10) days if
1593 any of the facts set out in this definition change;
1594 11) Any prior domestic partnership declared under this section, in which their
1595 domestic partner participated with a third party, was terminated not less than
1596 twelve (12) months prior to the date of such affidavit and, that notice of
1597 termination was provided to the county in writing to the finance department;
1598 12) They agree that the city employee shall have the sole and exclusive right to
1599 make all benefit elections on behalf of the domestic partner;
1600 13) They agree that the city employee shall be responsible for any and all tax
1601 liability associated with any benefits provided to the domestic partner,
1602 including imputed taxable income and be subject to tax withholding or other
1603 tax treatment;
1604 14) They agree under penalty of perjury under the laws of Georgia that all
1605 information in the declaration of domestic partnership is true and correct.

1606 Live (d) together means that the two (2) people claiming domestic partnership status
1607 share the same primary, regular and permanent residence. It is not necessary that the
1608 legal right to possess the residence be in both names. Domestic partners do not cease
1609 to live together if one leaves the shared residence for a period not to exceed six (6)
1610 months, but intends to return. Whether the relationship between these two (2) people
1611 is or is not sexual is in no way relevant for the purposes of determining eligibility
1612 under this article.

1613 **Sec. 20-201. Effect of declaration of domestic partnership.**

- 1614 (a) Rights and duties created. Neither this article nor the filing of a declaration of
1615 domestic partnership shall create any legal rights or duties from one of the
1616 parties to the other, except those that specifically refer to domestic

1617 partnership. Nothing in this article shall be construed to explicitly or
1618 implicitly create a marital relationship. This article does not attempt to alter
1619 or affect the laws in the state that regulate any private or civil relationships.
1620 This article shall not be construed to conflict with, alter or affect the laws of
1621 this state or the United States.

1622 (b) Nothing contained in this article shall create any rights in either domestic
1623 partner that are not covered, included or created in the underlying insurance
1624 or benefits plan documents of the city.

1625 **Sec. 20-202. Establishing existence of domestic partnership.**

1626 (a) Generally. Domestic partners, one of whom is an employee of the city, may
1627 establish the existence of their domestic partnership by presenting an original
1628 declaration of domestic partnership to the finance department of the city. The
1629 finance department will file the declaration. The standard declaration form
1630 will be available in the finance department during normal business hours.

1631 (b) Limitations. The finance department shall only accept for filing declarations
1632 of domestic partnership submitted by domestic partners at least one of whom
1633 is an employee of the city.

1634 (c) Amendments to the declaration. A partner may amend a declaration of
1635 domestic partnership filed with the finance department at any time to show a
1636 change in such partner's primary residence address.

1637 (d) New declarations of domestic partnership. No person who has created a
1638 domestic partnership may create another until twelve (12) months after a
1639 notice of termination has been signed and filed with the finance department.

1640

1641 **Sec. 20-203. Records, copies, filing fees.**

1642 Records of the city's finance department. The finance director shall keep a record
1643 of all declarations of domestic partnerships, amendments to declarations of domestic
1644 partnership, and all notices of termination. The records shall be maintained so that
1645 amendments and notices of termination shall be filed with the declaration of
1646 domestic partnership to which they pertain.

1647 **Sec. 20-204. Ending domestic partnerships.**

1648 (a) Termination. A domestic partnership ends when:

1649 (1) One partner sends the other partner written notice that such partner
1650 has ended the domestic partnership;

1651 (2) One of the partners dies; or

1652 (3) The partners no longer meet one (1) or more of the qualifications or
1653 conditions for domestic partnership.

1654 (b) Notice of termination. When a domestic partnership ends, the partners must
1655 execute a notice of termination naming the partner and stating that the
1656 partnership has ended. The notice of termination must be dated and signed
1657 under penalty of perjury by at least one (1) of the partners. The notice of
1658 termination must be filed with the finance department.

1659 Notwithstanding any of the above, the city shall revoke a declaration of a domestic
1660 partnership if the city finds that the partners no longer meet one (1) or more of the
1661 qualifications or conditions for domestic partnership. The effective date of such
1662 termination will be retroactive to the date that such qualifications or conditions were
1663 no longer met. The city may revoke the declaration of the domestic partnership upon
1664 recommendation of the finance director and approval of the city manager without
1665 notice or hearing to the employee or domestic partner. Nothing in this Code shall
1666 create any right to a notice or hearing concerning the termination of the domestic
1667 partnership. In all circumstances, the provisions of the city's insurance plans shall
1668 control regarding coverage, eligibility and benefits provided to domestic partners.

1669

1670 **ARTICLE XI. EMPLOYEE ORGANIZATIONS.**

1671

1672 **Sec. 20-205. Statement of policy.**

1673 It shall be the policy of the city to communicate with employee organizations in
1674 an orderly and professional manner, listening to input from such organizations where
1675 appropriate. This policy in no way obligates the city to bargain or contract with
1676 employee organizations. Further, this policy does not authorize employee

1677 organizations or any county employees to engage in strikes, slowdowns, or other
1678 organized absences from work or their assigned work stations.

1679 **Sec. 20-206. - Definitions.**

1680 For the purposes of this article, certain terms and words are hereby defined.
1681 Where words are not defined herein, but are defined in section 1-2, those words shall
1682 have the meaning as defined therein. The following words, terms, and phrases, when
1683 used in this article, shall have the meanings given to them in this section, except
1684 where the context clearly indicates a different meaning:

1685 An eligible employee is a city merit-status employee who is not:

- 1686 (1) A department head or other employee with actual authority to hire, fire, or
1687 discipline; or
1688 (2) A confidential employee who works directly with and reports directly to an
1689 elected official, department head, or department director.

1690 Employee organization means any lawful organization that eligible employees have
1691 joined for the purpose of discussing issues of common interest regarding terms and
1692 conditions of employment with the city of Stonecrest, Georgia.

1693 **Sec. 20-207. Applicability of article.**

1694 This article shall apply to employee organizations of which eligible employees are
1695 members.

1696 **Sec. 20-208. Prohibited discrimination and retaliation.**

1697 (a) There shall be no discrimination or retaliation against any eligible employee
1698 because of the fact that such employee is a member of an employee
1699 organization or has authorized a representative of an employee organization
1700 to communicate on his/her behalf in an appropriate manner regarding terms
1701 and conditions of city of Stonecrest employment. However, this section does
1702 not eliminate or limit the right to discipline employees for activities made
1703 unlawful by Georgia law or other applicable law (including, but not limited
1704 to, strikes or work slowdowns), or for conduct that violates city policy.

1705 (b) No employee shall be required, as a condition of employment with the city of
1706 Stonecrest, to become a member of any employee organization. There shall

1707 be no discrimination or retaliation against an eligible employee because of
1708 the fact that the employee chooses not to be a member of an employee
1709 organization or otherwise chooses not to become involved in employee
1710 organization activities.

1711 **Sec. 20-209. Representative of the city.**

1712 The executive assistant shall designate a person in the human resources
1713 department to serve as the city's designated representative to meet with employee
1714 organizations when appropriate.

1715 **Sec. 20-210. Meet and confer.**

1716 When an employee organization requests a meeting with the city, the designated
1717 city representative will meet with a representative or representatives of that
1718 organization upon reasonable terms for the purpose of listening to input from the
1719 organization regarding employment terms and conditions of eligible employees the
1720 organization represents (but not for the purpose of collective bargaining or
1721 negotiating a contract). The designated city representative shall not be required to
1722 meet with a particular employee organization more often than once per month.

1723 **Sec. 20-211. Representation of eligible employees in merit system hearings.**

1724 Subject to the terms and conditions of the merit system and human resource
1725 department's written administrative procedures governing the conduct of merit
1726 system hearings, a representative of an employee organization shall be permitted to
1727 represent and assist an eligible employee who is an appellant in a merit system
1728 hearing under sections 20-193, 20-194, or 20-195 of this chapter: (1) if that
1729 representative is an attorney, or (2) if those written administrative procedures
1730 expressly authorize an appellant to designate a non-attorney to represent him/her in a
1731 merit system hearing and specify the procedure for an appellant to designate a non-
1732 attorney representative for such a hearing.

1733 **Sec. 20-212. Employee organization activities during scheduled work hours.**

1734 No eligible employee may spend scheduled working time (excluding approved
1735 break time) away from his/her work assignment and/or work station to participate in
1736 employee organization activities, unless the employee obtains his/her supervisor's

1737 advance permission to spend that time away from his/her work assignment and/or
1738 work station. An eligible employee may spend up to one (1) hour per calendar month
1739 of paid scheduled working time in employee organization meetings or in meetings
1740 between employee organization representatives and the designated city
1741 representative or city elected officials, if the eligible employee has advance
1742 permission from his/her supervisor to spend that time away from his/her work
1743 assignment and/or work station. With the exception of that one (1) hour per calendar
1744 month, normal city and department rules regarding requests to take time off from
1745 work (using accrued paid leave or unpaid leave) apply to eligible employees'
1746 requests to take time away from their normal work assignments and/or work stations
1747 to participate in employee organization activities. The one-hour per calendar month
1748 of paid scheduled working time that an eligible employee may spend on certain
1749 employee organization activities as described above shall not accumulate if unused
1750 during a calendar month, and no payment shall be made for any such time that is not
1751 used.

1752 **Secs. 20-213 – 20-220. Reserved.**

1753

1776 any of the remaining phrases, clauses, sentences, paragraphs or sections of the
1777 Ordinance and that, to the greatest extent allowed by law, all remaining phrases,

Detailed Description and Justification

This segment of Panola Road is from Snapfinger Woods Drive to US 278 (Covington Highway). The proposed typical section will consist of a four 12-foot lanes, a flush center turn lane, 4-foot bike lanes, and curb and gutter with 5-foot sidewalks. For all segments along Panola Road, all crossroad intersections would be improved based on design year traffic data, including improvements to approach lane configurations and turn lane lengths. Roadway widening would generally be symmetrical from existing centerlines; however, asymmetrical widening would be performed where factors such as utility impacts, ROW restrictions, or geometric restrictions dictate. The proposed project would also straighten the alignment of Panola Road at the existing curve located between Salem Drive and Oaktree Trail/Old Panola Road. After construction of the proposed project, traffic signals would be adjusted with an optimized signal timing plan. The traffic signals along the corridor would be interconnected using fiber optic cables, and optimized timing plans would be developed for the morning, midday, afternoon, and weekend rush hour periods.
