13 Title 36 of the Official Code of Georgia Annotated, relating to local governments, is
14 amended by revising Chapter 66, relating to zoning procedures, as follows:

15 "CHAPTER 66

H. B. 1405

- 1 -

36-66-1.

This chapter shall be known and may be cited as ~~'The Zoning~~ 'Zoning Procedures Law.'

36-66-2.

(a) While recognizing and confirming the authority of local governments to exercise zoning power within their respective territorial boundaries, it is the intention of this chapter to establish as state policy minimum procedures governing the exercise and means of judicial review of the exercise of that power. The purpose of these minimum procedures is to assure that due process is afforded to the general public when local governments regulate the uses of property through the exercise of the zoning power. Nothing in this chapter shall be construed to invalidate any zoning decision made by a local government prior to ~~January 1, 1986~~ July 1, 2023, or to require a local government to exercise its zoning power.

(b) Consistent with the minimum procedures required by this chapter, local governments may:

(1) Provide by ordinance or resolution for such administrative officers, ~~bodies~~ boards, or agencies as may be expedient for the efficient exercise of ~~their~~ delegated, quasi-judicial zoning powers and to establish procedures and notice requirements for hearings before such quasi-judicial officers, boards, or agencies that are consistent with the minimum procedures provided for in this chapter to assure due process is afforded the general public; and

(2) Provide by ordinance or resolution for procedures and requirements in addition to or supplemental to those required by this chapter and, where so adopted, thereby establish the minimum procedures for such local government's exercise of zoning powers.

36-66-3.

As used in this chapter, the term:

(1) 'Local government' means any county or municipality which exercises zoning power within its territorial boundaries.

(1.1) 'Quasi-judicial officers, boards, or agencies' means an officer, board, or agency appointed by a local government to exercise delegated, quasi-judicial zoning powers including hearing appeals of administrative decisions by such officers, boards, or agencies and hearing and rendering decisions on applications for variances, special administrative permits, special exceptions, conditional use permits, or other similar permits not enumerated herein as a zoning decision, pursuant to standards for the exercise of such quasi-judicial authority adopted by a local government.

(2) 'Territorial boundaries' means, in the case of counties, the unincorporated areas thereof and any area defined in paragraph (5.1) of Code Section 36-70-2, and, in the case of municipalities, the area lying within the corporate limits thereof except any area defined in paragraph (5.1) of Code Section 36-70-2.

(3) 'Zoning' means the power of local governments to provide within their respective territorial boundaries for the zoning or districting of property for various uses and the prohibition of other or different uses within such zones or districts and for the regulation of development and the improvement of real estate within such zones or districts in accordance with the uses of property for which such zones or districts were established.

(4) 'Zoning decision' means final legislative action by a local government which results in:

(A) The adoption or repeal of a zoning ordinance;

(B) The adoption of an amendment to a zoning ordinance which changes the text of the zoning ordinance;

(C) The adoption or denial of an amendment to a zoning ordinance ~~which rezones to~~ rezone property from one zoning classification to another;

(D) The adoption or denial of an amendment to a zoning ordinance by a municipal local government ~~which zones to zone~~ to zone property to be annexed into the municipality; ~~or~~

(E) The grant or denial of a permit relating to a special use of property;

(F) The grant or denial of a variance or conditions concurrent and in conjunction with a decision pursuant to subparagraphs (C) or (E) of this paragraph.

(5) 'Zoning ordinance' means an ordinance or resolution of a local government establishing procedures and zones or districts within its respective territorial boundaries which regulate the uses and development standards of property within such zones or districts. The term also includes the zoning map adopted in conjunction with a zoning ordinance which shows the zones and districts and zoning classifications of property therein.

36-66-4.

(a) A local government taking action resulting in a zoning decision shall provide for a hearing on the proposed action. Where the proposed action includes any combination of zoning decisions under subparagraphs (C), (E), or (F) of paragraph (4) of Code Section 36-66-3 for the same property, only one hearing shall be required under this Code Section.

At least 15 but not more than 45 days prior to the date of the hearing, the local government shall cause to be published within a newspaper of general circulation within the territorial boundaries of the local government a notice of the hearing. The notice shall state the time, place, and purpose of the hearing.

(b) If a zoning decision of a local government is for the rezoning of property and the rezoning is initiated by a party other than the local government, then:

(1) The notice, in addition to the requirements of subsection (a) of this Code section, shall include the location of the property, the present zoning classification of the property, and the proposed zoning classification of the property; and

(2) A sign containing information required by local ordinance or resolution shall be placed in a conspicuous location on the property not less than 15 days prior to the date of the hearing.

(c) If the zoning decision of a local government is for the rezoning of property and the amendment to the zoning ordinance to accomplish the rezoning is defeated by the local government, then the same property may not again be considered for rezoning until the expiration of at least six months immediately following the defeat of the rezoning by the local government.

(d) If the zoning is for property to be annexed into a municipality, then:

(1) Such municipal local government shall complete the procedures required by this chapter for such zoning, except for the final vote of the municipal governing authority, prior to adoption of the annexation ordinance or resolution or the effective date of any local Act but no sooner than the date the notice of the proposed annexation is provided to the governing authority of the county as required under Code Section 36-36-6;

(2) The hearing required by subsection (a) of this Code section shall be conducted prior to the annexation of the subject property into the municipality;

(3) In addition to the other notice requirements of this Code section, the municipality shall cause to be published within a newspaper of general circulation within the territorial boundaries of the county wherein the property to be annexed is located a notice of the hearing as required under the provisions of subsection (a) or (b), as applicable, of this Code section and shall place a sign on the property when required by subsection (b) of this Code section; and

(4) The zoning classification approved by the municipality following the hearing required by this Code section shall become effective on the later of:

(A) The date the zoning is approved by the municipality;

(B) The date that the annexation becomes effective pursuant to Code Section 36-36-2;
or

(C) Where a county has interposed an objection pursuant to Code Section 36-36-11, the date provided for in paragraph (8) of subsection (c) of said Code section.

(e) A qualified municipality into which property has been annexed may provide, by the adoption of a zoning ordinance, that all annexed property shall be zoned by the municipality, without further action, for the same use for which that property was zoned immediately prior to such annexation. A qualified county which includes property which has been deannexed by a municipality may provide, by the adoption of a zoning ordinance, that all deannexed property shall be zoned by the county, without further action, for the same use for which that property was zoned immediately prior to such deannexation. A municipality shall be a qualified municipality only if the municipality and the county in which is located the property annexed into such municipality have a common zoning ordinance with respect to zoning classifications. A county shall be a qualified county only if that county and the municipality in which was located the property deannexed have a common zoning ordinance with respect to zoning classifications. A zoning ordinance authorized by this subsection shall be adopted in compliance with the other provisions of this chapter. The operation of such ordinance to zone property which is annexed or deannexed shall not require any further action by the adopting municipality, adopting county, or owner of the property annexed or deannexed. Property which is zoned pursuant to this subsection may have such zoning classification changed upon compliance with the other provisions of this chapter.

(f) When a proposed zoning decision relates to or will allow the location or relocation of a halfway house, drug rehabilitation center, or other facility for treatment of drug dependency, a public hearing shall be held on the proposed action. Such public hearing shall be held at least six months and not more than nine months prior to the date of final action on the zoning decision. The hearing required by this subsection shall be in addition to any hearing required under subsection (a) of this Code section. The local government shall give notice of such hearing by:

- (1) Posting notice on the affected premises in the manner prescribed by subsection (b) of this Code section; and

(2) Publishing in a newspaper of general circulation within the territorial boundaries of the local government a notice of the hearing at least 15 days and not more than 45 days prior to the date of the hearing.

Both the posted notice and the published notice shall include a prominent statement that the proposed zoning decision relates to or will allow the location or relocation of a halfway house, drug rehabilitation center, or other facility for treatment of drug dependency. The published notice shall be at least six column inches in size and shall not be located in the classified advertising section of the newspaper.

(g) A local government delegating decision-making power to a quasi-judicial officer, board, or agency shall provide for a hearing on each proposed action described in paragraph (1.1) of Code Section 36-66-3. Notice of such hearing shall be provided at least 30 days prior to the quasi-judicial hearing, with such notice being made as provided for in subsection (a) of this Code section and with additional notice being mailed to the owner of the property that is the subject of the proposed action.

(h)(1) Notwithstanding any other provisions of this chapter to the contrary, when a proposed zoning decision relates to an amendment of the zoning ordinance to revise one or more zoning classifications or definitions relating to single-family residential uses of property so as to authorize multifamily uses of property pursuant to such classification or definitions, or to grant blanket permission, under certain or all circumstances, for property owners to deviate from the existing zoning requirements of a single-family residential zoning, such zoning decision must be adopted in the following manner:

(A) The zoning decision shall be adopted at two regular meetings of the local government making the zoning decision, during a period of not less than 21 days apart; and

(B) Prior to the first meeting provided for in subparagraph (A) of this paragraph, at least two public hearings shall be held on the proposed action. Such public hearings shall be held at least three months and not more than nine months prior to the date of

final action on the zoning decision. Furthermore, at least one of the public hearings must be held between the hours of 5:00 P.M. and 8:00 P.M. The hearings required by this paragraph shall be in addition to any hearing required under subsection (a) of this Code section. The local government shall give notice of such hearing by:

(i) Posting notice on each affected premises in the manner prescribed by subsection (b) of this Code section; provided, however, that when more than 500 parcels are affected, in which case posting notice is required every 500 feet in the affected area; and

(ii) Publishing in a newspaper of general circulation within the territorial boundaries of the local government a notice of each hearing at least 15 days and not more than 45 days prior to the date of the hearing.

Both the posted notice and the published notice shall include a prominent statement that the proposed zoning decision relates to or will authorize multifamily uses or give blanket permission to the property owner to deviate from the zoning requirements of a single-family residential zoning of property in classification previously relating to single-family residential uses. The published notice shall be at least nine column inches in size and shall not be located in the classified advertising section of the newspaper. The notice shall state that a copy of the proposed amendment is on file in the office of the clerk or the recording officer of the local government and in the office of the clerk of the superior court of the county of the legal situs of the local government for the purpose of examination and inspection by the public. The local government shall furnish anyone, upon written request, a copy of the proposed amendment, at no cost.

(2) The provisions of paragraph (1) of this subsection shall also apply to any zoning decisions that provide for the abolition of all single-family residential zoning classifications within the territorial boundaries of a local government or zoning decisions that result in the rezoning of all property zoned for single-family residential uses within

200 the territorial boundaries of a local government to multifamily residential uses of
201 property.

202 (3) This subsection shall not apply to zoning decisions for the rezoning of property from
203 a single-family residential use of property to a multifamily residential use of property
204 when the rezoning is initiated by the owner or authorized agent of the owner of such
205 property.

206 36-66-5.

207 (a) Local governments shall adopt policies and procedures which govern calling and
208 conducting hearings required by Code Section 36-66-4, and printed copies of such policies
209 and procedures shall be available for distribution to the general public. Such policies and
210 procedures shall specify a minimum time period at hearings on proposed zoning decisions
211 or quasi-judicial decisions for presentation of data, evidence, and opinion by proponents
212 of each zoning decision and an equal minimum time period for presentation by opponents
213 of each proposed zoning decision, such minimum time period to be no less than ten
214 minutes per side.

215 (b) In addition to policies and procedures required by subsection (a) of this Code section,
216 each local government rendering a zoning decision shall adopt standards governing the
217 exercise of the zoning power, and such standards may include any factors which the local
218 government finds relevant in balancing the interest in promoting the public health, safety,
219 morality, or general welfare against the right to the unrestricted use of property. Such
220 standards shall be printed and copies thereof shall be available for distribution to the
221 general public.

222 (b.1) In addition to policies and procedures required by subsection (a) of this Code section,
223 each local government providing for a quasi-judicial officer's, board's, or agency's grant,
224 denial, or review of a quasi-judicial matter may adopt specific standards and criteria
225 governing the exercise of such quasi-judicial decision-making authority, and such standards

shall include the factors by which the local government directs the evaluation of a quasi-judicial matter. Such standards shall be printed and copies thereof made available for distribution to the general public.

(c) The policies and procedures required by subsection (a) of this Code section and the adoption of standards required by subsection (b) and permitted by subsection (b.1) of this Code section ~~may~~ shall be included in and adopted as part of the zoning ordinance. Prior to the adoption of any zoning ordinance enacted on or after ~~January 1, 1986~~ July 1, 2022, a local government shall conduct a public hearing on a proposed action which may be advertised and held concurrent with the hearing required by subsection (a) of Code Section 36-66-4 for the adoption of a zoning ordinance. The provisions of subsection (a) of Code Section 36-66-4 relating to notices of public hearings for the purposes of that subsection shall also apply to public hearings required by this subsection.

36-66-5.1.

(a) To ensure that the general public is afforded due process in an orderly way to petition the courts for review of a local government's exercise of zoning, administrative, or quasi-judicial powers as guaranteed by Article I, Section I, Paragraphs IX and XII of the Constitution, the General Assembly, pursuant to its authority under Article VI, Section IV, Paragraph I of the Constitution, provides the following mechanism by which each of the powers described in this chapter may be reviewed by the superior court of the county wherein such property is located:

(1) Zoning decisions as described in this chapter, being legislative in nature, shall be subject to direct constitutional challenge regarding the validity of maintaining the existing zoning on the subject property or the validity of conditions or an interim zoning category other than what was requested in the superior court pursuant to its original jurisdiction over declaratory judgments pursuant to Chapter 4 of Title 9 and equity jurisdiction under Title 23. Such challenges shall be by way of a de novo review by the superior court

wherein such review brings up the whole record from the local government and all competent evidence shall be admissible in the trial thereof, whether adduced in a local government process or not and employing the presumption that a governmental zoning decision is valid and can be overcome substantively by a petitioner showing by clear and convincing evidence that the zoning classification is a significant detriment to the petitioner and is insubstantially related to the public health, safety, morality, or general welfare; or

(2) Quasi-judicial decisions as described in this chapter and zoning decisions under subparagraph (E) of paragraph (4) of Code Section 36-66-3 shall be subject to appellate review by the superior court pursuant to its appellate jurisdiction from a lower judicatory body and shall be brought by way of a petition for such review as provided for in Title 5. Such matters shall be reviewed on the record which shall be brought to the superior court as provided in Title 5.

(b) All such challenges or appeals shall be brought within 30 days of the written decision of the challenged or appealed action.

(c) To ensure that the citizens of this state are not unnecessarily burdened by the review process as a mechanism of appeal, local governments shall designate by ordinance or resolution:

(1) The officer of the quasi-judicial board or agency who shall have authority, without additional board or agency action, to approve or issue any form or certificate necessary to perfect the petition described in Title 5 for review of lower judicatory bodies and upon whom service of such petition may be effected or accepted on behalf of the lower judicatory board or agency, during normal business hours, at the regular offices of the local government; and

(2) The elected official or his or designee who shall have authority to accept service and upon whom service of an appeal of a quasi-judicial decision may be effected or accepted

278 on behalf of the local governing authority, during normal business hours, at the regular
279 offices of the local government.

280 (d) An appeal or challenge by an opponent filed pursuant to this chapter shall stay all legal
281 proceedings in furtherance of the action appealed from or challenged, unless the local
282 government, officer, board, or agency from which or from whom the appeal or challenge
283 is taken certifies that, by reason of the facts stated in the certificate, a stay would cause
284 imminent peril to life or property. In such actions, the applicant for the zoning decision or
285 the quasi-judicial decision shall be a necessary party and shall be named as a defendant in
286 the action and served in accordance with the requirements of Title 5 or Title 9, as
287 appropriate.

288 36-66-6.

289 (a) In any local government which has established a planning department or other similar
290 agency charged with the duty of reviewing zoning proposals, such planning department or
291 other agency shall, with respect to each proposed zoning decision involving land that is
292 adjacent to or within 3,000 feet of any military base or military installation or within
293 the 3,000 foot Clear Zone and Accident Prevention Zones Numbers I and II as prescribed
294 in the definition of an Air Installation Compatible Use Zone of a military airport,
295 investigate and make a recommendation with respect to each of the matters enumerated in
296 subsection (b) of this Code section, in addition to any other duties with which the planning
297 department or agency is charged by the local government. The planning department or
298 other agency shall request from the commander of such military base, military installation,
299 or military airport a written recommendation and supporting facts relating to the use of the
300 land being considered in the proposed zoning decision at least 30 days prior to the hearing
301 required by subsection (a) of Code Section 36-66-4. If the base commander does not
302 submit a response to such request by the date of the public hearing, there shall be a
303 presumption that the proposed zoning decision will not have any adverse effect relative to

the matters specified in subsection (b) of this Code section. Any such information provided shall become a part of the public record.

(b) The matters with which the planning department or agency shall be required to make such investigation and recommendation shall be:

(1) Whether the zoning proposal will permit a use that is suitable in view of the use of adjacent or nearby property within 3,000 feet of a military base, military installation, or military airport;

(2) Whether the zoning proposal will adversely affect the existing use or usability of nearby property within 3,000 feet of a military base, military installation, or military airport;

(3) Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned;

(4) Whether the zoning proposal will result in a use which will or could cause a safety concern with respect to excessive or burdensome use of existing streets, transportation facilities, utilities, or schools due to the use of nearby property as a military base, military installation, or military airport;

(5) If the local government has an adopted land use plan, whether the zoning proposal is in conformity with the policy and intent of the land use plan; and

(6) Whether there are other existing or changing conditions affecting the use of the nearby property as a military base, military installation, or military airport which give supporting grounds for either approval or disapproval of the zoning proposal."

325 **SECTION 2.**

326 This Act shall become effective on July 1, 2022, and shall apply to all zoning and
327 quasi-judicial decisions occurring on and after that date; however, no zoning or quasi-judicial
328 decision prior to July 1, 2023, shall be rendered invalid or void because of a local
329 government's failure to implement language in their ordinances accomplishing the provisions
330 of Code Section 36-66-5.1.

331 **SECTION 3.**

332 All laws and parts of laws in conflict with this Act are repealed.

Staff Report

The council and Mayor voted to defer the Animal Exhibition approval on Monday, April 24, 2023. The reason for this deferral was to address the need for more information regarding the development status of the property associated with this proposed ordinance. Staff has reviewed the intent of the locational factor associated with this use and has noted that there is a need for clarification regarding the location of Outdoor Animal Exhibitions, especially in the Arabia Mountain Overlay District. Please review the narrative in the “Principal uses and structures element” below as part of this staff report.

The Mayor and City Council of the City of Stonecrest desire a review of TMOD 2022-012, which concerns an Ordinance text modification that would allow consideration of “animal exhibitions” as regulated by the USDA “Animal Welfare Act and Animal Welfare Regulations” in appropriate locations in the city. Identification of these locations is based on compatibility of animal exhibitions with the intent of the character areas reflected on the Future Development Map and goals and policies adopted in the City of Stonecrest Comprehensive Plan 2038.

This review also examines development standards designed to minimize potentially adverse impacts of such a use on the Stonecrest community and surrounding uses. These standards are proposed for incorporation into Division 2. Supplemental Use Regulations of the Stonecrest Zoning Ordinance. Finally, review of TMOD 2022-012 seeks to establish procedures for Mayor and Council in determining the appropriateness of animal exhibitions.

Approach

The approach to identifying those character areas most appropriate to the proposed animal exhibition use is proposed as an analysis using the standards of review of the Ordinance. These standards are found in Sec. 7.3.5. *Standards and factors governing review of proposed amendments to the official zoning map.* The standards have been used to assess (1) the compatibility of the proposed animal exhibitions with the comprehensive plan, specifically compatibility with the chosen character areas for which the exhibitions are proposed, (2) consistency with the purpose and intent of the underlying zoning districts associated with those character areas, (3) similarity of the proposed use with uses allowed in the selected zoning districts and (4) compatibility of the use as concerns impact on street network and other public infrastructure.

In considering potential locations for animal exhibitions based on compatibility with certain character areas and zoning districts, it was quickly acknowledged that animal exhibitions were a commercial use not compatible with residential districts. Animal exhibitions were determined to be equally incompatible with industrial uses at the other end of the land use spectrum. Guidance for evaluating locations for animal exhibitions came from the statements of intent of the character areas identified in the Comprehensive Plan 2038.

An important consideration in identifying appropriate locations for animal exhibitions, particularly indoor animal exhibitions, is the transportation network. Another consideration was the location of those character areas planned for commercial development. These character areas are found primarily along I-20.

Animal exhibitions are characterized as either “Indoor Animal Exhibitions” or “Outdoor Animal Exhibitions.”

CHAPTER 27: ZONING ORDINANCE

ARTICLE 9 – DEFINITIONS

Indoor Animal Exhibitions means the display of any animal to the public in an enclosed building. Such exhibitions may include, but are not limited to indoor zoos, indoor petting zoos, aquariums, bird aviaries, butterfly exhibits, museums with live exhibits and educational venues. Indoor animal exhibitions shall not include retail pet stores, the keeping of household pets, livestock shows, purebred dog or cat shows, and similar events.

Outdoor Animal Exhibitions means the display of any animal to the public in an open-air structure such as a corral or other fenced area. Outdoor animal exhibitions may include, but are not limited to, outdoor zoos, outdoor petting zoos, wildlife or fauna parks and similar venues. This use shall not include agricultural fairs, livestock shows, purebred dog or cat shows, or similar events. Outdoor animal exhibitions are not considered agricultural fairs where animals are displayed on exhibition grounds for comparing and judging the qualities and characteristics of various breeds and species of animals. The main purpose of such exhibitions is not to market “for sale,” animals, but merely for their display.

For purposes of this text modification, carnivals, circuses, and similar venues are not considered outdoor animal exhibitions; rather these temporary events are subject to the regulations of Sec. 4.3.1. Temporary outdoor uses, general requirements; Sec. 4.3.2. Duration, frequency and hours of operation of temporary outdoor uses; and Sec. 4.3.5. Temporary outdoor events.

4. Provide written permission from the owner or property manager of the building to be occupied as an indoor Animal Exhibition to the City.

https://www.aphis.usda.gov/animal_welfare/downloads/bluebook-ac-awa.pdf.
All required licensing shall be renewed prior to expiration and a copy provided to the City. Upon expiration or non-renewal of the license, the use shall immediately cease operations until a copy of a valid license is provided to the City.
7. Comply with the Georgia Department of Agriculture Animal Health Division regulations as established in the Rules and Regulations of the State of GA Chapter 40-13.
8. Comply with applicable standards of the Georgia Department of Natural Resources (DNR) for the regulation of non-native species as per the regulated wild animals/exotics types (<https://gadnrle.org/exotics>), and restricted non-native species found in O.C.G.A. §27-5-4.

CHAPTER 27: ZONING ORDINANCE

ARTICLE 4 – USE REGULATIONS

DIVISION 1. OVERVIEW OF USE CATEGORIES AND USE TABLE

Sec. 4.1.3. Use table.

Table 4.1 indicates the permitted uses within the base zoning districts. Even though a use is listed as an allowable use within a particular base zoning district, additional use restrictions may apply based on the applicable overlay zoning district requirements specified in article 3 of this chapter, overlay districts.

- A. The uses listed in Table 4.1 shall be permitted only within the zoning districts identified, and no use shall be established and no structure associated with such use shall be erected, structurally altered or enlarged unless the use is permitted as:
1. A permitted use (P);
 2. A special use (SP) subject to the special land use permit application procedures specified in article 7 of this chapter;
 3. An administratively approved use (SA) subject to the special administrative permit procedures specified in article 7 of this chapter;
 4. An accessory use (PA) as regulated by this article 4 of this chapter. Table 4.1 does not list all accessory uses but clarifies uses acceptable as accessory, though not typically considered principal uses for the zoning classification.
 5. Uses lawfully established prior to the effective date of this zoning ordinance.
- B. Any use not listed in Table 4.1, below, or interpreted to be allowed by the director of planning pursuant to section 4.1.2 is prohibited. Any applicant denied a permit to allow a use of property in a zoning district other than as provided in this section may file an appeal before the zoning board of appeals as provided in article 7 of this chapter.
- C. If there is a conflict between Table 4.1 and the text of this chapter, the text shall prevail.

Sec. 3.4.5. Principal uses and principal structures.

A. The principal uses of land and structures which are allowed in the AMCOD are as is provided by the applicable underlying zoning district, except for those listed in B below, subject to the limitations and standards contained within this district. Additional permitted uses are as follows:

1. Recreation, passive and Nature preserve.
2. Dog Parks.
3. Bed and Breakfast homes.
4. Outdoor Concert halls.
5. Urban Gardens.

As concerns guidance from the Comprehensive Plan ordinance, that document records that ““All zoning districts” identified in the Ordinance are considered compatible with the Conservation and Open Space (COS) Character Area (as below). [It is often the case that elected officials are not as keenly aware of the policy documents they approve as is Staff. That is understandable, given the volume of materials they must read, but this entire exercise relied on the policies adopted in both the Comprehensive Plan and the Zoning Ordinance. I believe we should emphasize that as we did not pull the recommendations out of the air.]

Conservation/Open Space (COS) Primary Land Uses	
Passive Parks and Nature trails	
Flood Plains, Wetlands, and Watersheds	
Golf Courses	
Athletic Fields and Recreation Facilities	
Amphitheaters	

Permitted Zoning in COS Areas

ALL Zoning Districts

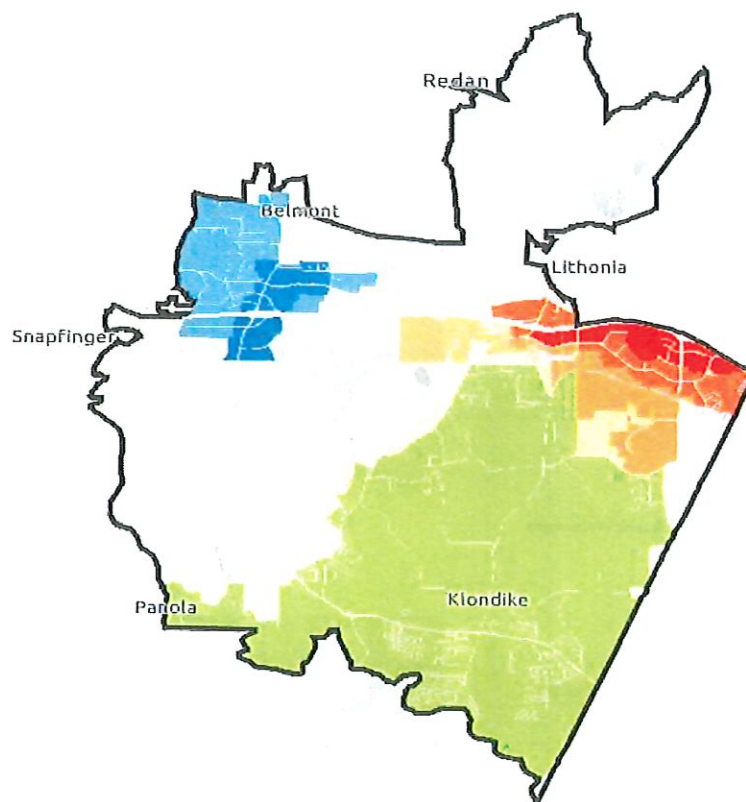

Land Use Designation		Use Description	Maximum Density Units/Acre	Permitted Districts
City/County	Conservation/Open Space (COS)	Passive Parks, Nature trails; Flood plains, Wetlands, Watersheds; Golf Courses; Athletic Fields;	N/A	All
		Amphitheaters		

Many of these uses are far more intensive than an Outdoor Animal Exhibition.

Conservation/Open Space Development Policies adopted in the Comprehensive Plan include “Recreation Destinations – Promote conservation and greenspace areas as passive use and recreation destinations.” Arguably, the Outdoor Animal Exhibitions comprise such recreation destinations.

The Conservation and Open Space (COS) Character Area Character Area and the AMCOD feature the least developed geography in the city. Outdoor Animal Exhibitions are typically established in a semi-rural setting. Examples given were Noah's Ark Animal Sanctuary in Henry County and Wild Animal Safari in Pine Mountain, both semi-rural areas. Land not encompassed in the Overlay is encompassed in the "Rural Residential" Character Area. We are not trying to sell any use on any portion of the city. However, if Council would decide to entertain the Outdoor Animal Exhibition use, we believe the properties within the Conservation and Open Space (COS) Character Area AND the Arabia Mountain Conservation Overlay District (in green highlight) are best suited for this use.

As not all properties in this Character Area and the Overlay will be suitable for this use given the uses on surrounding properties, this is where the discretion achieved by the Special Land Use Permit process comes in. That discretion allows Council to approve only those properties suitable for such a use in light of surrounding uses. In fact, market demand would in all likelihood support only one such Outdoor Animal Exhibition.

Sec. 4.1.2. Interpretation of unlisted uses.

Where a particular use is not specifically listed in Table 4.1, Use Table, the director of planning shall have the authority to permit the use if the use is similar to uses permitted by this article. The director of planning shall give due consideration to the purpose and intent statements contained in this zoning chapter concerning the base zoning districts involved, the character of the uses specifically identified and the character of the uses in question.

This administrative authority is common in zoning ordinances.

Finally, to reiterate, the C-1 and C-2 zoning districts are not proposed for the Conservation/Open Space Character Area or and for properties within the Arabia Mountain Conservation Overlay District. The uses now permitted in the Overlay are as follows with Outdoor Animal Exhibitions being proposed:

1. Recreation, passive and nature preserve.
2. Dog parks.
3. Bed and breakfast homes.
4. Outdoor concert halls.
5. Urban Gardens.
6. Outdoor animal exhibitions.

Staff Report

The council and Mayor voted to defer the consolidation plat approval on Monday, April 24, 2023. The reason for this deferral was to address the need for more information regarding the development status of the property associated with the plat consolidation. In the staff reviews of parcel consolidation, it has been determined through research of the staff that an egress and ingress problem confront this property. That is, the only point of access to the subject land is by the way of a City of Stonecrest owned parcel of land. This presents a problem for the viability of the property for its intended use, as an apartment development. It negatively affects the ability of this major lot consolidation to result in a final plat which can be certified and recorded according to the Stonecrest Land Department Code Chapter 14; Article III – Subdivision Division 2 – Plat Approval Procedure; Part B – Major – Plats. Sec14-86 Major Plats and Sec; 14-87.
